IRVING JOHNSON
1905 - 1991

The 1990 Annual Report is dedicated to Irving M. Johnson, Captain, United States Naval Reserve, and world-renowned sailor-explorer. Irving Johnson was born on a farm in Hadley in 1905. At the age of seventeen he discovered the adventure of sailing, and spent the greater part of his life on the ocean.

In 1929 he sailed around the Horn on the Peking, a square rigger, bound from Germany to Chile. It was on this voyage that he began taking the moving pictures which later became documentaries of the Age of Sail. He met his future wife, a Smith College student from New York, aboard a schooner. The couple were to become the most famous husband and wife sailing team in the world.

Just prior to World War II, Mr. Johnson was called into the navy when Admiral Kimmel insisted on having the foremost expert on the South Seas areas. Johnson's sailing experience among the numerous atolls and treacherous coral reefs made him the natural choice in identifying and planning bases in the South Pacific. Captain Johnson was in Pearl Harbor on that fateful day, December 7, 1941. He was later assigned to the naval survey ship, the USS Sumner. The Sumner surveyed, charted, and blasted channels through coral throughout the Pacific, in advance of the U.S. fleet.

After the war, the Johnsons again took to the sea for pleasure. In the brigantine Yankee, they made seven eighteen-month voyages around the world. In 1959, the ketch Yankee was built in Holland. Specially designed by Captain Johnson and Olin Stephens for cruising at sea or through inland water ways, this craft carried the Johnsons around the Mediterranean, up the Nile, around the coast of Spain, across the Baltic and along Norways coast of Fjords, and into the European continent through rivers and canals, to the great cities of Bologna, Paris, Seville and Venice. The Johnsons' exploits have earned them a place in Who's Who in America. Captain Irving Johnson passed away early in 1991, after a long and distinguished career.

ANNUAL REPORT
of the
TOWN OFFICERS
of the
TOWN of HADLEY
for the
YEAR ENDING
DECEMBER 31, 1990

FACTS ABOUT HADLEY

Annual Town Meeting Date: First Thursday in May
Annual Town Election Date: Second Tuesday in April

Museums	Farm Museum Porter-Phelps-Huntington House Historical Room in Goodwin Library - by appointment

ANNUAL TOWN OF HADLEY EMPLOYEE RECOGNITION AWARD - 1990

MICHAEL PEWATKA

During the course of operation of municipal government many times officials never receive the accolades that they justly deserve for their service to their community.

With this in mind, we have included in this year's annual report, a section to honor an individual who exemplifies these traits.

It is very difficult to convince citizens to step forward to serve on Town committees or seek appointed positions without any monetary remuneration in return. Being a part of town government catapults you into very compromising situations, which at times means having your peers scrutinize your decisions publicly.

We are fortunate in the Town of Hadley to have an individual such as Michael "Mike" Pewatka a member and past Chairman on the Conservation Commission to rise above the adversities of public office to achieve positive goals for our community.

During Mike's tenure on the commission, he, along with his colleagues, can be quite proud of their many accomplishments.

Although Hadley is one of the smallest communities in the Commonwealth, we have the most land in the Agricultural Preservation Program. At present, we have 796 acres reserved for this purpose, with an additional 254 acres soon to be included in this program. This will ensure that Hadley remains the farming center that it is today.

Mike has also been very instrumental in preserving our Aquifer Protection District. By obtaining a grant of \$363,000 from the Department of Environmental Protection Agency, Hadley has been able to study and map the aquifer recharge area around the Mt. Warner wells. The same grant has also allowed Hadley to enter into an agreement to purchase approximately 17 acres valued over \$239,000 with only a Town contribution of \$1,500.

One of Mike's wishes is to preserve Hadley's farmland and aquifer areas for future generations who inhabit our wonderful community. It is quite evident Mike and his fellow commissioners are well ahead of other communities in their endeavors.

With sincere gratitude and appreciation, we recognize Mr. Michael Pewatka and his colleagues for their accomplishments for the Town of Hadley.

HADLEY BOARD OF SELECTMEN

Public Health Nurse: Patricia Osip

Animal Inspector: Marilyn Koehler

Death Certificate Agent: Joanna P. Devine

APPOINTMENTS MADE BY THE ASSESSORS:

Assistant Assessor: Daniel Zdonek, Jr.

A RECORD BY ANYONE'S COUNT

This May, God willing, Ernest W. Hibbard will attend the annual town meeting in Hadley, Massachusetts, for his 86th consecutive year. Mr. Hibbard, now 97, remembers his first meeting as a boy of 12. The year was 1906, and the meeting was held during the day when young Ernest would normally have been at school. His father, Cyrus M. Hibbard, thought his son would learn more at town meeting than in the classroom and took him along. Though the boy was too young to vote, the occasion evidently made a strong impression, for Ernest Hibbard hasn't missed an annual town meeting since.

Glenn E. Clark
March issue of Yankee Magazine

REPORT OF THE FINANCE COMMITTEE

TO THE MODERATOR AND THE CITIZENS OF HADLEY:

For three consecutive years, Town Meeting has used substantial amounts of Free Cash in order to balance our operating budget. In 1988 and 1989, ballot questions were proposed for overriding Proposition 2 1/2 in order to bridge the gap between revenues and expenditures, but in both years the override questions were defeated.

In 1990, Finance Committee prepared the FY91 budget as a "no-override" budget, and set a goal of level-funding. Thanks to the tremendous efforts and cooperative spirit of town and school departments, cuts were made and budget requests were held down. Finance Committee was able to prepare a budget for FY91 which provided bottom line level-funding of the school and town components of the budget, while still allowing for the required increases in the fixed budgets such as insurances and long-term debt and interest.

Even with this conservative budget, projected revenues were still \$500,000 short. To bridge the revenue gap and fund the FY91 budget department heads again came through for Hadley, by supporting aggressive collection of back taxes (\$200,000), supporting the rescinding and/or alternative funding of outstanding articles which had previously been funded from free cash (\$214,000), and putting the brakes on their current year's spending and allowing year-end surpluses to be rolled back into free cash (\$100,000). Thus we made it through another year.

The struggle continues as we look to 1992 and 1993. State aid reductions continue despite the passage of "Question 5" earlier this year, which should return 40% of state tax revenues to cities and towns. Hadley's FY92 state aid amount is \$350,000 or 44% less than the state aid we received for FY89. Revenue increases in other areas have not been sufficient to offset this loss. Given the escalating costs of ambulance service, energy, workers compensation, health and other insurances, pension costs, unemployment benefits and cost-of-living adjustments, our overall revenue picture does not allow any growth in service levels.

Our approach to budgeting will be to continue to present Town Meeting with the most fair and economically sound budget possible within the current revenue constraints. A priority has been set on avoiding layoffs, even though this may also mean no raises for non-contract employees. Other priorities will continue to be set for both the town and school, since even a level-funded budget is not a level-service budget. Spending cuts will continue to be needed until such time as the economy state-wide bounces back and/or revenues can be increased to meet Hadley's budget needs.

Respectfully submitted,

Linda J. Sanderson, Chair
Michael L. Pequignot, Vice Chair
Norman E. Brown, Secretary
A. Edwin Putnam
Elaine A. Kokoski

Taxation
\$2,851,202 54%

1. Hadley is BIG business today.
2. 92% of revenue locally generated, and administered.

3/22/91

FISCAL CHART OF PROPOSED 1991 REVENUE SOURCES SHOWS WHERE FUNDS FOR TWO SERVICES COME FROM. MANY OF OUR COMMUNITIES REVENUE SOURCES HAVE SEVERELY BEEN CURTAILED BECAUSE OF STATE CUTBACKS. IT'S NOT AN EASY ASSIGNMENT TO MANAGE HADLEY TODAY!

HADLEY TOWN WARRANT

Hampshire ss.

To the Constables of the Town of Hadley, in the County of Hampshire

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said Town qualified to vote in elections and in Town affairs to meet in the Hopkins Academy Cafetorium at 9:00 in the forenoon on the ninth day of April, 1991 then and there to take action under Article 1, polls to be kept open 9:00 a.m. to 8:00 p.m., and to meet on Thursday, the second day of May, 1991 and the seventh day of May, 1991 (if necessary), at 7:00 p.m. in the Reed Gymnasium in Hopkins Academy, and in Hopkins Academy Cafetorium if necessary, to act on all other articles:

Article 1.

To elect all necessary officers of the Town.

Moderator	One Year
Selectman	Three Years
Town Collector	Three Years
Assessor	Three Years
Board of Health Member	Three Years
Planning Board Member	Five Years
School Committee (2)	Two for Three Years
Elector Under Oliver Smith Will	One Year
Library Trustee (2)	Two for Three Years
Constable (2)	Two for One Year
Sewer Commissioner	Three Years
Park Commissioner	Three Years
Housing Authority	Five Years
Hampshire County Commissioner	Two Years

and to bring in their votes yes or no on the following questions:

Question 1.

"Shall this Town continue to be a member of the Pioneer Valley Regional Transit Authority?	YES	NO"
--	-----	-----

Question 2.

"Shall the Town of Hadley be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the bonds issued in order to construct a new elementary school, including original equipment and furnishings?	YES	NO"
--	-----	-----

Question 3.

"Shall the Town of Hadley be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the bonds issued in order to construct a new public safety building, including original equipment and furnishings? YES NO"

Question 4.

"Shall the Town of Hadley be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the bonds issued in order to remodel, reconstruct and make repairs to comply with building codes and to remodel, reconstruct and make repairs necessary for public safety and architectural access at Hooker and Russell Elementary Schools? YES NO"

Article 2.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Board of Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1991, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17, or take any other action relative thereto.

Article 3.

To see if the Town will vote to authorize the Board of Selectmen to sell and convey by proper deeds in the name of the Town any land owned by or in the control of the Town or take any other action relative thereto.

Article 4.

To see if the Town will vote to authorize the Board of Selectmen to apply for Massachusetts Small Cities Program grants or monies, or any other Federal or State grants or monies, and to expend any monies received as set forth in the appropriate application or take any other action relative thereto.

Article 5.

To see if the Town will vote to have the following question placed upon the official ballot for the 1992 Annual Town Election:

"Shall this Town continue to be a member of the Pioneer Valley Regional Transit Authority? YES NO"

Article 6.

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$3,524.26 to pay the Town of Amherst for ambulance service for fiscal year 1990, or take any action relative thereto.

RECOMMENDED

Article 7.

To see if the Town will vote to use the interest monies from the George Edwards fund to support continued operation of the Old Gym and the North Hadley Hall for the main purpose of recreational and community activities, or take any other action relative thereto.

RECOMMENDED

Article 8.

To see if the Town will vote to transfer the sum of \$428.42 from the County Dog Fund for the purpose of funding the Town libraries in fiscal year 1992 or take any action in relation thereto.

RECOMMENDED

Article 9.

To see if the Town will vote to raise and appropriate the sum of \$3,000 to reimburse the Commonwealth of Massachusetts for the Town's share of a pension or retirement allowance paid to a widow of a veteran by the Commonwealth of Massachusetts for the fiscal year commencing on July 1, 1991, as required by and computed under the provisions of Chapter 32, Section 59A of the General Laws or take any other action relative thereto.

RECOMMENDED

Article 10.

To see if the Town will vote to adopt M.G.L. Chapter 41 Section 69B, providing for a Water Surplus Account or take any action in relation thereto.

RECOMMENDED

Article 11.

To see if the Town will vote to rescind Article 30 of the March 4, 1902 Annual Town Meeting providing that the School Committee shall receive as compensation for their service the sum of \$2.50 per day for actual time of service.

Article 12.

To see if the Town will vote to rescind Article 23 of the February 3, 1947 Annual Town Meeting providing equal pay for men and women teachers.

Article 13.

To see if the Town will vote to rescind Article 2 of the November 19, 1985 Special Town Meeting accepting a professional development grant payable on February 15, 1986, and August 15, 1987 for the purpose of supplementing teacher compensation under the provisions of Section 13 of Chapter 188 of the Acts of 1985 and establishing a separate account.

Article 14.

To see if the Town will vote to amend the by-law adopted March 18, 1982, to change the length of term for Constables elected at the Annual Town Election from a term of one year to three years.

Article 15.

To see if the Town will vote to release and/or reconvey to Anna and Henry Zakrzewski of 99 Mount Warner Road, Hadley, Massachusetts, an easement in a certain parcel of land situated in Hadley bounded and described as follows:

"An easement in the land shown as Parcel B in Book of Plans 146, Page 27, said plan being document number 010833 filed on May 7, 1987 in the Hampshire Registry of Deeds"

Which parcel constitutes a 20.1 foot wide easement consisting of approximately 10,600 square feet, which parcel was taken by Eminent Domain for sewer purposes by an order of taking which was recorded on May 7, 1987, as document number 010834 in the Hampshire Registry of Deeds, and which parcel is no longer required by the Town for sewer or any other purposes, or take any other action relative thereto.

Article 16.

To see if the Town will vote to accept the provisions of Chapter 291 of the Acts of 1990, thereby allowing the Town to receive enhanced 911 service as defined in said act or take any action relative thereto.

Article 17.

To see if the Town will vote to adopt the following by-law, pursuant to M.G.L. Chapter 40, Section 6N, providing for making temporary repairs to private ways:

Following the filing of a petition with the Town Clerk which is signed by more than 50 percent of the abutters, any defect, including drainage, in a private way which has been open for public use not less than five years shall be repaired by the Town, on a temporary basis only, if such defect is

found to impair public safety and emergency access. The total cost of such repairs shall be paid by all abutters to the private way. A cash deposit of 50 percent of the estimated cost shall be made with the Town by the abutters to the private way in need of repair. Before any work is commenced, all abutters shall be required to sign agreements to indemnify and hold the Town harmless from personal and property injury resulting from any defects in such ways.

Article 18.

To see if the Town will vote to transfer the sum of \$10,661.75 from the Sale of Timber Fund to the Stabilization Fund or take any action relative thereto.

RECOMMENDED

Article 19.

To see if the Town will vote to transfer the sum of \$4,000 from Article 22 of the May 1990 Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1992 or take any action relative thereto.

RECOMMENDED

Article 20.

To see if the Town will vote to transfer the sum of \$8,707 from Article 5 of the May 1989 Special Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1992 or take any action relative thereto.

RECOMMENDED

Article 21.

To see if the Town will vote to transfer the sum of \$7,549 from Article 8 of the May 1988 Annual Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1992 or take any action relative thereto.

RECOMMENDED

Article 22.

To see if the Town will vote to transfer the sum of \$1,707.65 from the Road Machinery Earnings account to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1992 or take any action relative thereto.

RECOMMENDED

Article 23.

To see if the Town will vote to transfer from available funds a sum of money for unexpected increases in expenses for the Treasurers Office for the purpose of processing the "In-House" Town Payroll for fiscal year 1991 or take any action relative thereto.

NO RECOMMENDATION AT TIME OF PRINTING

Article 24.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum or sums of money for the maintenance and operation of the Town in fiscal year 1992, including debt and interest, and to fix the salary and compensation of all elected officials of the Town as provided for by Chapter 41, Section 108 of the General Laws as amended, including, if appropriate: Moderator, Selectmen, Town Clerk, Town Collector, Town Treasurer, Assessors, Town Constables, Board of Health, Elector under the Oliver Smith Will, Sewer Commission, Planning Board and Park Commission, and to provide for a reserve fund for the current financial year or take any other action relative thereto.

RECOMMENDED

Article 25.

To see if the Town will vote to authorize the borrowing of the amount required to construct a new public safety building, including original equipment and furnishings; that to meet this appropriation the Treasurer be authorized to borrow the amount required; provided that this vote shall not take effect until the Town votes to exempt from the limitation on total taxes imposed by General Laws, Chapter 59, Section 21C (proposition two and one-half) amounts required to pay the principal of and interest on the borrowing authorized by this vote.

NO RECOMMENDATION AT TIME OF PRINTING

Article 26.

To see if the Town will vote to transfer from the stabilization fund the sum of \$35,000 for preliminary design of a public safety building or take any action relative thereto.

RECOMMENDED

Article 27.

To see if the Town will vote to authorize the borrowing of the amount required to remodel, reconstruct and make repairs to comply with building codes and to remodel, reconstruct and make repairs necessary for public safety and architectural access at Hooker and Russell Elementary Schools, provided that this vote shall not take effect until the Town votes to exempt from the limitation on total taxes imposed by General Laws, Chapter 59, Section 21C (proposition two and one-half) amounts required to pay the principal of and interest on the borrowing authorized by this vote.

NO RECOMMENDATION AT TIME OF PRINTING

Article 28.

To see if the Town will vote to authorize the borrowing of the amount required to construct a new elementary school, including original equipment and furnishings; that to meet this appropriation the Treasurer be authorized to borrow the amount required; and that the Hadley Elementary School Building Committee be authorized to take any other action necessary to carry out this project; provided, however, that no debt shall be incurred under this vote except for planning, design, bidding and related preliminary expenses until the State Board of Education approves the project for a construction grant for at least 62% of eligible costs under Chapter 645 of the Acts of 1948, as amended; and provided further that this vote shall not take effect until the Town votes to exempt from the limitation on total taxes imposed by General Laws, Chapter 59, Section 21C (proposition two and one-half) amounts required to pay the principal of and interest on the borrowing authorized by this vote.

RECOMMENDED

And you are hereby directed to serve this warrant by posting attested copies at the usual places; one at the Town Hall, one at the Hadley Post Office and one at the North Hadley Village Hall all in said town seven days at least before the time of holding said meeting.

Given under our hands this 22nd day of March, 1991.

John H. Allen

Donald J. Pipczynski

BOARD OF SELECTMEN

A true copy attest:

Constable of Hadley

Date _____

1990 ANNUAL REPORT - BOARD OF SELECTMEN

TO THE CITIZENS OF HADLEY:

In 1990, Hadley entered a new decade: a decade heralded by economic changes and challenges. The Board successfully met these challenges while continuing progress on long term projects.

As 1990 opened, the fiscal uncertainty of the Commonwealth was increasingly felt at the local level. The Board of Selectmen, working with the Finance Committee, Administrative Assistant and departments, proceeded with budget preparation despite the uncertainty of local aid. The result was a budget which anticipated reductions in local aid, did not ask Hadley residents for additional operating funds, and which resulted in no service cuts. This successful effort was the result of close cooperation and hard work from the many employees and officials involved. While other towns came up short when local aid figures were released, or while other towns experienced competition between departments for funding, Hadley officials and Town meeting participants voted a responsible, thoughtful and fair budget.

Despite the fiscal uncertainty and its potentially disruptive effects, the Board proceeded with several long term efforts. Negotiations with landowners for acquisition of aquifer protection land were successfully completed, with the necessary hearings and purchase to be completed in 1991. This project is to be funded by the state through reimbursement to the Town, as part of a state grant.

One hundred ninety-three acres of land were placed under agricultural restrictions, through joint contributions by the state and the Town. The Town now has approximately 796 acres under agricultural restriction through the state APR program. And in October of 1990, voters approved a debt exclusion of \$100,500 for purchase of land for conservation, preservation and related purposes, so that this effort could continue.

Work by the Land Acquisition Committee came to a conclusion with a recommended purchase of approximately 17.3 acres on River Drive, to site both a new elementary school and a public safety building complex. Purchase of this property won voter approval also in October.

Work continues to ensure collection of delinquent taxes. This has become increasingly important, as local aid declines. But more than that, it has become an issue of fairness to all taxpayers, making sure that everyone pays his or her "fair share" of the services the Town provides.

Reconstruction of Moody Bridge was completed with the assistance of a state grant, and by the work efforts of the Highway crew. The high quality of this project clearly demonstrates the skills and capabilities of Hadley's highway personnel.

A comprehensive list of Town facilities and equipment was compiled to make sure insurance coverage is adequate and that all departments account for major purchases from year to year.

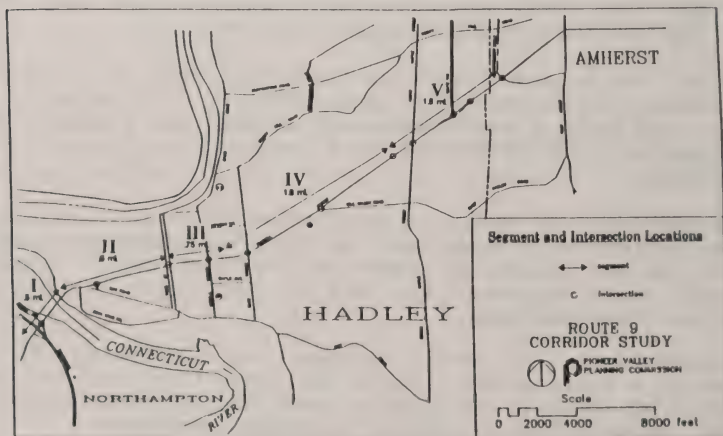

The long-delayed handicapped access ramp was built through the efforts of volunteers, ensuring access to many important Town offices. And the Route 9 Advisory Committee was formed, to evaluate the traffic issues associated with this major highway and to make recommendations for mitigation. The members of this Committee include not only Hadley officials, but representatives from the neighboring communities of Amherst and Northampton, the Commonwealth and Pioneer Valley Planning Commission.

In all these efforts, members of the Board of Selectmen, either personally or through the Administrative Assistant, played key roles - finding the solutions, carrying through on commitments and working to ensure that the citizens of Hadley are served. We would like to thank the many citizens, employees and Town officials who have contributed importantly to the success of these efforts.

We remain optimistic about the future despite the many challenges ahead - uncertainty of state funding and the national, state and local economy. We believe in the ability of Hadley citizens, and the citizens of the United States, to meet challenges, and overcome obstacles, and to once more achieve prosperity and economic security. We hope the cooperative efforts, which brought us through this year, will continue and help our community meet these challenges in the coming year. Thank-you for your support.

Respectfully submitted,

John H. Allen, Chairman
Donald J. Pipczynski
Joanna P. Devine

LINE DRAWING OF STATE ADOPTED ROUTE 9 CORRIDOR OF CRITICAL CONCERN. A 5.3 MILE SECTION OF HIGHWAY DESIGNATED FOR IMMEDIATE REMEDIES OF TRAFFIC MITIGATION AND SAFETY CONCERNS ALONG HADLEY'S COMMERCIAL SECTOR.

REPORT OF THE PLANNING BOARD

TO THE CITIZENS OF THE TOWN OF HADLEY:

For the first time since the early 1980's the Planning Board received no new subdivision applications in 1990. The Board did approve two subdivisions which were carry-overs from previous years, one was for three lots, the other was for twenty lots, all were residential building lots. Sight Plan Approvals for businesses were also slow with four applications being received for floor space totaling about 36,000 square feet. (1989 saw 10 applications for a total of about 120,000 square feet).

The reduction in applications for subdivisions and Site Plan Approvals were not a surprise, given the weak economic climate. The Zoning Bylaws were also amended in 1990 to allow Flag Lots for residential use if they met certain conditions. This was done to give land owners, with less than regulation frontage, an option to create one building lot in lieu of a multi-lot subdivision.

ATTEST:

Janice E. Kangas
Assistant Town Clerk

ANNUAL TOWN MEETING

MAY 3, 1990

The meeting was called to order at 7:05 p.m. by Moderator, Kenneth A. Parker, when 280 voters had been checked in.

Article 2. Voted to authorize the Town Treasurer, with the approval of the Board of Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1990, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Article 3. Voted to authorize the Board of Selectmen to sell and convey by proper deeds in the name of the Town any land owned by or in control of the Town.

Article 4. Voted to authorize the Board of Selectmen to apply for Mass. Small Cities Program grants or monies or any other Federal or State grants or monies, and to expend any monies received as set forth in the appropriate application.

Article 5. Voted to have the following question placed upon the official ballot for the 1991 Annual Town Election: "Shall this Town continue to be a member of the Pioneer Valley Regional Transit Authority?"

Article 6. Voted to transfer from Free Cash the sum of \$1,216.50 to pay the Town of Amherst for ambulance service for fiscal year 1989.

Article 7. Voted to transfer from Free Cash the sum of \$1,396.65 to pay Treasurer's bills for services by Shawmut Bank from prior year.

Article 8. Voted to adopt M.G.L. 41, Section 103 providing for the establishment of a purchasing department.

Article 9. Voted to adopt the following by-law:

Unless otherwise provided by a vote of Town Meeting, the Board of Selectmen or chief procurement officer designated pursuant to G.L. c. 30B is authorized to enter into any contract for the exercise of the Town's corporate powers, on such terms and conditions as are deemed appropriate. Notwithstanding the foregoing, the Board of Selectmen or chief procurement officer shall not contract for any purpose, on any terms or under any conditions inconsistent with any applicable provision of any general or special law.

(Approved by the Attorney General on June 25, 1990)

Article 10. Voted to transfer \$80,000 from Article 4 of the October 1987 Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1991 and to place an article on the Fall Special Town Meeting warrant to consider funding for the original purpose of Article 4 of the October 1987 Town Meeting.

Article 11. Voted to transfer the sum of \$20,500 from Article 16 of the May 1988 Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1991 and to place an article on the Fall Special Town Meeting warrant to consider funding for the original purpose of Article 16 of the May 1988 Town Meeting.

Article 12. Failed to transfer the sum of \$18,200 from Article 21 of the March 1980 Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1991 and to place an article on the Fall Special Town Meeting to consider funding for the original purpose of Article 21 of the March 1980 Town Meeting.

Article 13. Voted to transfer the sum of \$4,000 from Article 26 of the May 1987 Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1991.

Article 14. Voted to transfer \$6,162.50 from Article 2 of the October 1986 Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1991.

Article 15. Voted to transfer \$75,000 from Article 24 of the May 1988 Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1991.

Article 16. Voted to transfer \$28,000 from Article 19 of the May 1989 Town Meeting to the general fund for the purpose of funding the maintenance and operation of the Town in Fiscal Year 1991 and to place an article on the Fall Special Town Meeting for the original purpose of Article 19 of the May 1989 Town Meeting.

Article 17. Voted to accept the provisions of Sections 44A to 44L inclusive, of Chapter 40 of the General Laws providing for the establishment of a regional refuse district, together with the Town of Amherst (and the Town of Belchertown if it should vote to approve said agreement), and the construction, maintenance and operation of a regional refuse disposal facility by said district in accordance with the provisions of a proposed agreement filed with the Selectmen.

Article 18. Voted to accept the provisions of Section 40 of Chapter 653 of the Acts of 1989 regarding assessment date changes for new growth.

Article 19. Voted to accept the provisions of Section 41 of Chapter 653 of the Acts of 1989 regarding quarterly tax bills to take effect July 1, 1991.

Article 20. Postponed indefinitely to send the following resolution to President Bush, Senators Kennedy and Kerry, and Congressman Conte:

"The Town of Hadley, Massachusetts acknowledges the end of the "cold war" between the United States and the Soviet Union. We therefore urge the President and Congress to cease production, testing, and further deployment of nuclear weapons and related systems. Funds saved should be used to promote the security of local communities, fund education, protect the environment, and provide essential human services."

Article 21. Voted to use \$4,052.53, the interest monies from the George Edwards fund to support continued operation of the Old Gym and the North Hadley Hall for the main purpose of recreational and community activities.

Article 22. Voted to raise and appropriate the sum of \$65,560.00, the State's share available under Chapter 90 Type money and such funds as the Com. of Mass. Dept. of Public Works may provide, and to raise and appropriate the sum of \$16,390.00, the town's share in addition to the State's share, and to authorize the Board of Selectmen to enter into contracts with the Com. of Mass. Dept. of Public Works for Chapter 90 Type money allocated to the Town by the State in fiscal year 1991.

Article 23. Voted to raise and appropriate the sum of \$3000 to reimburse the Com. of Mass. for the Town's share of a pension or retirement allowance paid to a widow of a veteran by the Com. of Mass. for the fiscal year commencing on July 1, 1990, as required by and computed under the provisions of Chapter 32, section 59A of the General Laws.

Article 24. Voted to amend the Town's general by-laws by adding the following Section under License and Permits of Delinquent Taxpayers, as adopted pursuant to Section 57 of Chapter 40 of the General Laws, at the Special Town Meeting on June 24, 1986:

(a) The tax collector or other municipal official responsible for records of all Town taxes, assessments, betterments and other municipal charges, hereinafter referred to as the tax collector, shall annually furnish to each department, board, commission or division, hereinafter referred to as the licensing authority, that issues licenses or permits including renewals and transfers, a list of any person, corporation, or business enterprise, hereinafter referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges for not less than a twelve month period, and that such party has not filed in

good faith a pending application for an abatement of such tax or a pending petition before the appellate tax board.

(b) The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers of any party whose name appears on said list furnished to the licensing authority from the tax collector; provided, however, that written notice is given to the party and tax collector, as required by applicable provisions of law, and the party is given a hearing, to be held not earlier than fourteen days after said notice. Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any party. The tax collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension. Any findings made by the licensing authority with respect to such license denial, revocation or suspension shall be made only for the purposes of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from such license denial, revocation or suspension.

Any license or permit denied, suspended or revoked under this section shall be not be reissued or renewed until the license authority receives a certificate issued by the tax collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges, payable to the Town as the date of issuance of said certificate.

(c) Any party shall be given an opportunity to enter into a payment agreement, thereby allowing the licensing authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however, that the holder be given notice and a hearing as required by applicable provisions of law.

(d) the Board of Selectmen may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officers or stockholder, if any, or members of his immediate family, as defined in section one of chapter two hundred and sixty-eight in the business or activity conducted in or on said property.

This section shall not apply to the following licenses and permits: open burning, section thirteen of chapter forty-eight; bicycle permits, section eleven A of Chapter eighty-five; sales of articles for charitable purposes, section thirty-three of chapter one hundred and one; children work permits, section sixty-nine of chapter one hundred and forty-nine; clubs, associations dispensing food or beverage licenses, section twenty-one E of chapter one hundred and forty; dog licenses, section one hundred and thirty-seven of chapter one hundred and

forty; fishing, hunting, trapping license, section twelve of chapter one hundred and thirty-one; marriage licenses, section twenty-eight of chapter two hundred and seven; and theatrical events, public exhibition permits, section one hundred and eighty-one of chapter one hundred and forty.

(Approved by the Attorney General on June 25, 1990)

Article 25. Voted to amend the zoning bylaw as following:

1. SVII (6.2) to:

One wall sign for each lot street frontage of each business establishment provided it shall be attached to and parallel to the main wall of the building. The surface area of any and all signs allowed on each frontage surface shall not exceed ten (10) percent of the area of the wall on which it is displayed or sixty-four (64) square feet, whichever is the lesser. Business establishment shall mean a separate business entity located in its own premises or a permanently divided portion of a larger premises which portion maintains a separate entrance and egress.

2. ADD 6.2A

In the case of three or fewer permanent-located businesses sharing a common, undivided premises with common entrance and egress, there shall be allowed for each such business one plaque-type non-illuminated sign affixed to the surface of the building spelling the name of the said business. Such sign shall not exceed ten (10) square feet.

(Approved by the Attorney General on July 24, 1990)

Article 26. Voted to amend the Town by-law established pursuant to Mass. General Laws, Chapter 148, Section 13, as adopted at the Special Town Meeting on September 20, 1983, establishing fees for licenses and certificates of registration for flammable fluids, to take effect July 1, 1990.

Fee schedule in its entirety may be viewed at the Town Clerk's office in Room 105 in the Town Hall.

(Approved June 25, 1990 by the Attorney General)

Article 27. Defeated to offer health insurance to all elected Town officials at the rate of 50% regardless if compensated or not. (By Petition)

Article 28. Defeated that the Town continue to provide health insurance coverage to members of the Zoning Board of Appeals, to members of the Conservation Commission, to the Electrical Inspector, and to the Plumbing & Gas Inspector on the same terms and conditions as it provides health insurance coverage to its elected officials. (By Petition)

Article 29. Defeated to repeal the Town by-law entitled Administrative Assistant adopted at the May 5, 1988 Annual Town Meeting, Article 19. (By Petition)

Article 30. Failed to amend Section 6 of the by-laws of the Town of Hadley as published in 1945 under Chapter 130 of the Acts of 1910 and as amended by Article 9 of the May 5, 1988 Annual Town Meeting to read as follows:

There shall be an advisory or Finance Committee as provided by Chapter 130, Acts of 1910, consisting of five members to continue in office for a term or terms not exceeding three years. They to be elected by voters of the Annual Town Elections, one member for a term of three years in 1991 and every three years thereafter, two members for a term of three years in 1992 and every three years thereafter, and two members for a term of three years in 1993 and every three years thereafter. The terms of newly elected members to begin on the first day of July in each year following the Annual Town Election. Vacancies shall be filled by the Moderator of the Annual Town Meeting held last before the vacancy occurs, said appointment or appointments by the Moderator shall be under the next Annual Town Election at which time an election shall be held to fill the unexpired term or terms of office. Selectmen, members of the School Committee and the Town Treasurer shall not be members of the Committee. The Committee shall investigate all matters mentioned in the warrant for any Town Meeting that may affect the finances of the Town, and make reports or recommendations to the Town with reference to the same and make recommendations to the Town with reference to any municipal question. (By Petition)

Article 31. Failed that the Town establish the Hadley Bike Path Committee to monitor and oppose the proposed Five-College Bikeway through Hadley, said Committee to consist of five members - John S. Mieczkowski, Joseph L. Fitzgibbon, Allan D. Zuchowski, James A. Freeman and Wallace J. Forman - and to report their doings to the next Annual Town Meeting or Special Town Meeting. (By Petition)

Article 32. Defeated to enact a by-law pursuant to M.G.L., Chapter 43C, Section 11, for a Department of Municipal Finance.

Article 33. Voted to borrow the sum of \$35,000 to repair the Mt. Warner Road No. 1 Well Pump with repayment to be made from water receipts.

Article 34. Voted to adopt the following by-law:

Water meters shall be installed on all buildings, appurtenances and fixtures on the Town water system by July 1, 1991. The property owner shall be responsible for the scheduling and cost of installation. Water meters shall meet the specifications of the Water Department. Failure to comply as of July 1, 1991 a fine of \$25.00 per day per service location will be imposed.

Doings at the May 8, 1990 Session of the May 3, 1990 Annual Town Meeting

Meeting was called to order at 7:12 p.m. with a total of 276 registered voters present.

Voted to reconsider Article 34 as amended at the May 3, 1990 session of the annual town meeting.

After discussion article 34 as amended was defeated by majority vote.

Article 35. Voted to transfer from the stabilization account the sum of \$8,000 for the purchase of a copy machine for the Town Hall.

Article 36. Voted to transfer from the stabilization account the sum of \$7,540 for the purchase of a computer and software for the Treasurer's office.

Article 37. Voted to transfer from free cash the sum of \$8,000 for Hadley's portion of Fiscal Year 1991 operating budget for the Eastern Hampshire Regional Refuse Disposal District.

Article 38. Voted to transfer from the stabilization account \$45,000 for the repair and exterior painting of the North Hadley Village Hall. (By Petition)

Article 39. Voted to pass over Article 39 (to transfer from free cash \$500 to the Bike Path Com. to be used for administrative purposes, stationery, correspondence and postage.)

Article 40. Voted to raise and appropriate such sums of money as shall be necessary to defray the current expenses and charges of the financial year, including debt and interest, and to fix the salary and compensation of all elected officials of the Town as provided for by Chapter 41, Section 108 of the General laws as amended, including, if appropriate: Moderator, Selectmen, Town Clerk, Town Collector, Town Treasurer, Assessors, Town Constables, Board of Health, Elector Under the Oliver Smith Will, Sewer Commission, Planning Board, and Park Commission, and to provide for a reserve fund for the current financial year.

Article 41. Voted that the Town appropriate \$5,257,361.15 for the maintenance and operation of the Town, and to meet said appropriation \$381,090.00 be transferred from the Sewer Receipts and \$298,663.00 be transferred from Water Receipts and to raise and appropriate, borrow or transfer from available funds the remaining money for this purpose.

The Town Meeting was adjourned at 8:40 p.m.

Joanna P. Devine
Town Clerk
Hadley, Massachusetts

SPECIAL TOWN MEETING
SEPTEMBER 27, 1990

The meeting was called to order at 7:15 p.m. when a total of 381 voters were present.

Article 1. Voted to transfer from free cash the sum of \$577,612.15 to reduce the tax levy for Fiscal Year 1991.

Article 2. Voted that the town transfer from free cash \$2,100.00 for the completion or purchase of Assessors' computer program software.

Article 3. Voted to transfer from free cash \$946.00 to fund the 10% cash match required by the Pioneer Valley Transit Authority for the purpose of providing elderly/handicapped transportation services in fiscal year 1991.

Article 4. Voted to transfer from free cash \$2,000 for Hadley's portion of the Connecticut River Channel Marker program for fiscal year 1991.

Article 5. Voted to transfer from free cash \$3,500 to purchase uninterruptible power supply units for computer stations in Town Hall.

Article 6. Voted to transfer from free cash \$1500 to purchase a video camera and necessary supplies and equipment for use by the Community Access Television in Hadley and Hadley Town departments.

Article 7. Voted to take from free cash \$2,000 as a donation to the Hadley Scuba Association, Inc.

Article 8B. Voted to borrow the sum of \$100,500 for the purpose of purchasing land or development rights in the town of Hadley through federal, state, local or nonprofit programs for open space, agricultural, recreational, conservation purposes or other land protection, preservation, acquisition for Town purposes, and to authorize the Board of Selectmen to expend said funds for such purposes, contingent on the passage of a ballot question at a Special Town Election to be held on October 23, 1990 allowing the Town to exempt from the provisions of proposition two and one-half, so called, the amounts required for this purpose.

Article 9. Voted to transfer from the stabilization fund \$90,000 for the purpose of painting the interior and exterior of Town Hall and for replacing storm windows in Town Hall.

Article 10. Voted to transfer from the County Dog Fund the sum of \$1,153.01 for the purpose of funding the Town libraries in fiscal year 1991.

Article 11. Voted to amend the Hadley Zoning Bylaws by creation of the following new section:

Section XVI: Flag Lots

The Planning Board may issue a SPECIAL PERMIT allowing for the reduction of the frontage requirements for lots in the Residential, Agricultural Residential, Limited Business, and Business Districts, when such lot is to be used solely for single-family residential purposes, provided said lot has:

- A. at least double the minimum lot area normally required for the district exclusive of the access strip, and
- B. access frontage on an existing Town Way at the time of adoption of this Bylaw, of at least (50) fifty feet, and
- C. access width from front line to the principal structure, of at least fifty feet, and
- D. the sub-division of a single lot in existence at the time of adoption of this Bylaw, there may not be more than (1) Flag lot. Appropriate easements shall be delineated on the Plot Plan and on the deed to the lot, including a clear provision for the responsibility for the private maintenance of the common driveway, common utilities and snow removal running with the land.
- E. The Flag Lots must meet all other requirements of the Hadley Zoning Bylaws.

At the time of the special permit the applicant shall submit a Plot Plan stamped by a Registered Surveyor showing location of access driveway, utilities, and house. The Planning Board shall address, but not be limited to, construction, house location, vehicular and pedestrian safety, and fire protection.

The Planning Board may periodically amend or add rules and regulations relating to the procedures and administration of this section.

A complete copy of the Hadley Zoning Bylaws may be viewed in the Hadley Town Clerk's office during normal business hours.

(Approved by the Attorney General on Dec. 18, 1990)

Article 12. Voted that the town adopt the following by-law:
Water meters shall be installed on all buildings, appurtenances and fixtures on the Town water system. Water meters shall meet the specifications of the Water Department. The requirements of this by-law shall not be enforced unless the Town's grant application for water meters has been approved and is funded by the Commonwealth.

Article 13. Failed that the Town borrow \$191,000 to be repaid from water receipts for the purpose of installing water meters at unmetered locations, half of this sum, or any expenditures therefrom to be reimbursed by the Commonwealth through an approved grant application.

Article 14. Voted that the Town transfer from free cash \$1,000 for committee expenses for the Hadley Elementary School Building Committee.

Article 15. Voted that the town borrow \$525,000 to be used for the purchase of land for a new school and a public safety complex, contingent upon the passage of a ballot vote at a Special Town Election to be held on October 23, 1990 allowing the Town to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the bond issued for this purpose.

Article 16. Voted that the Town transfer from the stabilization fund \$75,000 for the purposes of preliminary design and site work for a new elementary school, and/or feasibility study and preliminary schematic design for modifications to existing elementary facilities.

The September 27, 1990 Special Town Meeting was dissolved at 10:20 p.m.

A true record

ATTEST: Joanna P. Devine
Town Clerk

Date: October 1, 1990

From Free Cash:	\$590,658.15
From Stabilization	165,000.00
From County Dog Fund	<u>1,153.01</u>
	\$756,811.16

ATTEST: Joanna P. Devine
Town Clerk

October 33, 1990 Special Election

Question 1. "Shall the Town of Hadley be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the bond issued in order to purchase land, known as 11 River Drive, Map 5F Parcel 3, for a new school and public safety complex?"

YES received six hundred and sixteen votes	616
NO received six hundred and twelve votes	612
Blanks	4

Question 2. "Shall the Town of Hadley be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the bond issued in order to purchase land or development rights in the Town of Hadley through federal, state, local or non-profit programs for open space, agricultural, recreational, conservation purposes or other land protection, preservation, acquisition for Town purposes?"

YES received six hundred forty-seven votes	647
NO received five hundred seventy-nine votes	579
Blanks	6

A total of 1232 votes were cast out of an eligible 2790 voters.

ATTEST:
Joanna P. Devine
Town Clerk

November 8, 1990 Results on Recount on Question 1

YES received six hundred and sixteen votes	616
NO received six hundred and twelve votes	612
Blanks	4
Total	1232

There was no change in the count from the October 23, 1990 Special Election.

ATTEST: Joanna P. Devine
Town Clerk

INTERSECTION OF HADLEY'S MIDDLE AND RUSSELL STREETS IN EARLY 1900'S. TODAY THAT JUNCTION CARRIES OVER 40,000 CARS PER DAY. WHAT A DIFFERENCE FROM HORSE AND BUGGY DAYS A CENTURY AGO.

HADLEY PAST

More than 330 years ago, Hadley was a frontier settlement of forty-seven houses which stretched across the fertile peninsula, now West Street. For sixteen years the native Norwattucks and the settlers lived in peace.

When King Philip's War began in 1675, Hadley was surrounded by a protective palisade. The settlement was never destroyed, partly because it was the headquarters for militia from Connecticut and Massachusetts Bay. No houses could be safely built outside the original settlement until about 1720.

Growth occurred rapidly after 1750 as farms developed along Middle Street, Bay Road and School Meadows, later North Hadley. Grist and saw mills were built on Mill and Fort Rivers. Tar, turpentine, furs and lumber were shipped down river. Subsistence farming gave way to raising grains, flax, cattle and horses for trade.

Broom corn became a major crop early in the 19th century and the manufacture of brooms became a major industry. This led to the manufacture of broom tools, knives and wire. Field grown tobacco gradually replaced broom corn and was supplemented by onions late in the century. Potatoes, asparagus and various other vegetables gradually replaced tobacco. Today there are fewer farms as land is used for housing and business.

The first settlers had come from Connecticut towns. Irish, French Canadians and Polish immigrants followed in the 19th and early 20th centuries. A more varied population makes up present day Hadley's citizenry.

AERIAL VIEW OF HADLEY CENTER TODAY, WITH HOLYOKE MOUNTAIN RANGE IN BACKGROUND. SKINNER STATE PARK CONTAINS THE LAST MOUNTAIN HOUSE IN NEW ENGLAND. THE BEAUTY OF HADLEY IS BREATHLESS FROM THAT VIEWPOINT.

HADLEY TODAY

Today, Hadley is a thriving, diverse community. Agriculture continues on a smaller scale, with many part-time farms. Along Route 9, small businesses coexist with the regional Hampshire Mall. Regional employers include public and private educational institutions, banking and financial services, communications and other technical services, and a large variety of private, non-profit and public enterprises.

Construction on Hadley University Park, located on North Maple Street, is expected to be underway in 1991. When completed, it is anticipated this light industrial park will create more than 700 jobs for those now on low and moderate incomes.

Route 9 has become a major artery for regional commerce and commuting. A comprehensive growth management study and the Route 9 Advisory Committee efforts have focused on ways to mitigate the impacts increasing traffic volumes. Once off Route 9, the landscape opens up to reveal broad scenic vistas of farmland, the Connecticut River, Mt. Warner, the Mt. Holyoke range - majestic backgrounds for numerous historic homes dating from the colonial era.

To counterbalance the effects of commercial and residential development, Hadley Town officials, working with state and non-profit agencies, have preserved nearly 1,000 acres of prime agricultural land and environmentally sensitive land. These efforts will ensure that Hadley's agricultural legacy and gracious landscape will be preserved for future generations.

REPORT OF THE BOARD OF REGISTRARS

TO THE CITIZENS OF THE TOWN OF HADLEY:

We are pleased to submit our 1990 annual report to the citizens of the Town of Hadley.

Annual Town Census Count

<u>1981</u>	<u>1982</u>	<u>1983</u>	<u>1984</u>	<u>1985</u>	<u>1986</u>	<u>1987</u>	<u>1988</u>	<u>1989</u>	<u>1990</u>
4185	4281	4275	4221	4132	4232	4211	4085	4280	4293

Registered Voters as of January 1

<u>1981</u>	<u>1982</u>	<u>1983</u>	<u>1984</u>	<u>1985</u>	<u>1986</u>	<u>1987</u>	<u>1988</u>	<u>1989</u>	<u>1990</u>
2606	2619	2597	2588	2625	2657	2705	2586	2826	2683

Following are the Town census statistics for the year 1990:

Age Ranges

Under 22 - 1058 (24.6%)
 22 - 29 - 524 (12.2%)
 30 - 49 - 1336 (31.1%)
 50 - 65 - 597 (13.9%)

Total Population - 4293	

Voter Statistics

Democrats = 1037 (38.7%)
 Republicans = 260 (9.7%)
 Unenrolled = 1386 (51.7%)
 Total Registered = 2683 (76.9% of
 total eligible residents)
 Not Registered = 805 (23.1%)

Dog Census

Males = 275
 Females = 48
 Sprayed = 251
 Total Dogs = 574

The year 1990 was a very busy year for your Board of Registrars. In addition to the sessions that were held to certify petitions and nomination papers, ten voter registration sessions were held for the four elections and two Town meetings that were held this year. The October 23rd recount was also overseen by your Board of Registrars.

The annual Town census, as required by Massachusetts General Law, was also conducted during January and February. The compiling of and completion of the Town census is done entirely by your Board of Registrars. We would like to thank the citizens of Hadley who respond promptly to the census mailing. Your cooperation is greatly appreciated by this Board.

Laura Niedzwiecki, Chairperson
 Michelle Mokrzecki
 Irene Lankarge
 Joanna P. Devine, Clerk

HADLEY'S HAMPSHIRE COUNTY COMMISSIONER MR. GLEN CLARK ABOARD THE 1850 STAGE COACH. PART OF 1989 HADLEY COMMUNITY DAYS PARADE TO SHOW OUR PROUD HERITAGE AND SPIRIT. THE CARRIAGE IS HOUSED IN HADLEY'S FARM MUSEUM BEHIND TOWN HALL.

REPORT OF THE BOARD OF ASSESSORS

TO THE BOARD OF SELECTMEN AND CITIZENS OF THE TOWN OF HADLEY:

During 1990, the Board completed its triennial revaluation and sent out the actual Fiscal Year 1990 tax bills on July 9, 1990. Once the bills were mailed the Board began processing abatement applications and building permits to adjust the values to allow us to send out Fiscal Year 1991 tax bills. The Fiscal Year 1991 Tax Recapitulation Sheet was approved on November 20, 1990, and actual first half tax bills for FY1991 were mailed out on December 11, 1990.

The Board also hired Daniel H. Zdonek, Jr. as the Towns first Assistant Assessor in July.

Some of the other duties that the department performed during 1990 were:

Real estate sales and deed transfers were updated as soon as the Assessors received them from the Hampshire County Registry of Deeds.

Automobile excise tax billings were turned over to the collector upon receipt from the Commonwealth of Massachusetts for collection.

The Assessors developed a billing system for Recreational Vehicles excise tax and bills were being prepared to be mailed at the end of the year for FY1991.

In 1991, the Town will now bill real estate and personal property on a quarterly basis. The first bill for Fiscal Year 1992 will be mailed during the last week of June 1991. We will also begin the process of establishing new values for the triennial certification due again for FY1993.

In closing, the Assessor's Office will do its best to perform its assessment function adequately and equitably. The Board seeks to establish an ongoing, cooperative relationship with the public that it serves and will continue to work hard toward that end.

The Assessors Office remains open weekdays from 9:00 a.m. to 4:00 p.m. and has Tuesday evening hours from 6:30 p.m. to 8:00 p.m.

Respectfully submitted,

Teresa L. Barstow, Chairman
Stanley M. Niedziela
Daniel Omasta

Applications for Classification under the Agricultural, Horticultural program must be submitted to the Board of Assessors for Fiscal Year 1993 which begins on July 1, 1992 no later than October 1, 1990.

REPORT OF THE HIGHWAY AND WATER DEPARTMENTS

TO THE HONORABLE BOARD OF SELECTMEN AND CITIZENS OF HADLEY:

The following projects were undertaken and completed by the Highway and Water Departments in 1990.

Under a state Small Bridge Grant the Moody Bridge Road bridge was replaced with a precast box culvert. The extensive job was done by Town forces and rental equipment, thus avoiding the expense of the bid process and the possibility of costing more than was allotted. This project, along with resurfacing of the roadway, installing of drainage and increasing sight distance by removing an embankment, greatly improved the appearance and should last for years to come.

Using Chapter 90 money, funding contract 199 and Chapter 15, the following roads were resurfaced with stone and oil: Moody Bridge Road from South Maple Street to the Amherst Town line and Huntington Road from Rte 47 to the intersection of Breckenridge Road. Also using Chapter 90 money, crack sealing was performed on Maple Avenue and Rte 47 from Stockwell Road through the center of North Hadley, thus increasing the life of pavement in both roads.

The remaining money from a state grant was used to shim a section of Rte 47 at the intersection of Mountain Road. I would like to thank the Administrative Assistant, Robin Crosbie for the time that she spent on the project to improve Rte 47 in that location.

The General Highway Account was used in numerous ways. Three small roads were stoned and oiled. All centerlines and edgelines were painted on roadways using an outside firm. Various roads were shimmed with blacktop to cope with the never-ending pothole problem areas, these sections being parts of Rocky Hill Road, Mill Valley Road and South Maple Street. A 250 foot drainage line was replaced in North Hadley on Rte 47 because the old one had collapsed due to age.

Although under tighter budget constraints, a project that couldn't have been done without the additional financial support of residents of Frost Lane was completed where two catch basins were installed, solving another drainage problem.

The following maintenance was also required, to include street sweeping (contracted out), installing of winter markers and snow fences, grading of dirt roads, plowing and sanding of roadways, plowing of sidewalks, mixing of sand/salt and screening of sand. Repair/replacing of street signs was required due to vandalism and old age.

The Ditch and Dike accounts were used for hired equipment to clean the ditch behind Hopkins Academy and behind Maple Avenue. One-third of the dike was cut using full time and part-time help. Other ditches had brush removed for better drainage and small roadside ditches were cleaned.

The Bridge account was used for repairing of various guard-rails and painting including North Hadley bridge and Cross Path Road. Also using the Bridge Account the old bridge on North Maple Street was removed and guard rails were installed at both ends. This bridge was unsafe for many years and had been closed to thru traffic for 16 years.

The Road Machinery account was used for maintenance and care for all Town vehicles. The last of our new trucks arrived and was used for plowing snow and various other jobs. The 1973 Ford F500 truck was rebuilt by the Town Mechanic. All preventative maintenance is done at the highway garage as well as some major work including truck and loader repairs.

The Forestry account was used for removing 27 dead or diseased trees and trimming of trees and grinding out of stumps.

The Water Department worked on several projects including installing 900 feet of plastic water line on Moody Bridge Road and 60 feet of ductile iron to cross the bridge. Many man hours were used to install this line. Two large water breaks on Middle Street were also repaired, one at #40 and the other at the Middle Street and Railroad Street intersection.

A total of 263 million gallons of water were pumped for the Town's use. A total of seven services were tapped and installed for new construction by Water Department personnel.

The backflow prevention program which was to have begun in June, 1990 has been changed to December, 1991 by the State. Work has continued in this direction though by adopting regulations and a limited amount of surveying has been started. The Town Meeting budget approval for metering all Town buildings has been started and will continue until finished. Backflow preventers will be installed in each building. A leak detection program has been started and looking for leaks on West Street has begun.

An article for cleaning the Mt. Warner Road Well #1 has been approved and bids opened late in November for the redevelopment of that well. The work will be completed by early spring so that water pumping capacity will be greatly increased. The dirty water problem found in some areas of Town should also be corrected.

All existing and new water sampling requirements have been met through use of state certified laboratories, leaving us in compliance with the State Department of Environmental Protection.

Many thanks to the department's personnel for their hard work and dedication to make this a successful year for the Highway and Water Department.

Respectfully submitted,

Michael J. Klimoski
Highway & Water Superintendent

MOODY BRIDGE WAS REPAIRED BY TOWN HIGHWAY PERSONNEL WITH WORK FORCE FUNDS FROM THE COMMONWEALTH. PROJECT SAVINGS TO THE TOWN WERE ABOUT HALF OF WHAT IT WOULD HAVE BEEN WITH CONTRACTED SERVICES.

HADLEY HOUSING AUTHORITY

The Hadley Housing Authority was created for the purpose of providing housing for the elderly. It's powers, duties, etc. are defined in the provisions of Chapter 121B of the General Laws, as amended, which is known as the Housing and Urban Renewal Law. The Authority's office is located at Golden Court, Hadley and regular meetings are held the first Monday of each month and special meetings are held as needed. As of December 31, 1990 the Authority's administrative organization was as follows:

Members:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Joel Searle 245 Bay Road	Chairman	1992
Louis Klimoski 59 River Drive	Treasurer	1991
Joseph Fitzgibbon 22 Roosevelt Street		1995
Lorain Giles 58 Middle Street	Secretary	1993
Martha Little 145 Rocky Hill Road	State Appointee Assistant Treasurer	1994
Officer: Stanley M. Paulson	Executive Director	

State Aided Housing Program

The Authority currently operates two state-aided housing programs, a 667-1 project consisting of 40 units of housing for the elderly, and a 705-1 development consisting of 12 units of family housing located at Golden Court Apartments which has been completed and fully occupied.

Status of Modernization Program

The renovation of all kitchen cabinets and counter tops has been completed in all the 667 elderly units.

REPORT OF THE HADLEY SCHOOL COMMITTEE

TO THE CITIZENS OF THE TOWN OF HADLEY:

In 1990, as in 1989, much of the Hadley School Committee's time was spent on budget and finances. We have continued to maintain our high educational standards with limited funding. The Hadley School Committee is very pleased with the Town's purchase of land for a new elementary school and communications center. Our current elementary schools are at full capacity. Repairs and upgrading to these buildings will not give us the added classroom space we need.

Clubs and organizations in Hadley continue to enrich our students and programs with their continued support. We thank-you all for your active part in our school community.

To our administrators, teachers and staff thank-you for your dedication to educating our future leaders. To the members of Town boards, both elected and appointed, thank-you for making education a top priority.

We would like to acknowledge Mr. Walter Piziak who retired after many years of serving our Town as school bus driver. Mr. Piziak is just one of the many individuals who makes Hadley a special place for all children. Good luck Mr. Piziak.

We urge you all to continue to support our schools. We must not become so occupied with finances, policy, maintenance and future planning that we lose sight of our most important responsibility - our children.

Respectfully submitted,

Joyce West, Chairman
Christine Sweklo, Vice Chairman
Corrine Brennan-Dore
Richard Swaluk
Joyce Chunglo

REPORT OF THE SUPERINTENDENT OF SCHOOLS

TO THE CITIZENS OF HADLEY AND THE HADLEY SCHOOL COMMITTEE:

The year 1990 was well supplied with financial challenges, increased elementary school enrollment, new school issues and curriculum reviews.

The Hadley School Committee and Finance Committee met several times relative to the FY91 budget. The proposed school budget reflected a 5% increase of \$133,203 over the FY90 figure. As a result of these meetings, the School Committee reduced their final budget to the level figure of FY90, \$2,659,428. No staff members lost their jobs and all received a wage increase, although some hourly staff had their hours reduced. Reductions were made in the maintenance and equipment accounts, fuel, special education, travel, professional dues and adjustments in salaries for teachers who were on leave of absence and those individuals who replaced them. The junior high school athletic program was not funded through the budget, but was to operate with gate receipts from varsity basketball games. This solution was possible because of a balance in the Athletic Revolving Account and an increase in ticket prices which was felt would result in the approximately \$8,000 necessary to operate the program.

A reduced or level funded FY92 budget will not have the same scenario as FY91. Increased goods and services costs and negotiated union contracts cannot be met under present economic conditions. Continued reductions in non-fixed costs and staff may be ultimately affected by any further reduction of the school budget.

The October 1 enrollment figures, which are found in the principals' reports, show a grade K-6 elementary increase of 7% over last year. Over the past five years, 1986-1990, our elementary enrollment has increased by 70 students or 28%. A continued rise is projected for the next several years. The anticipated increase in our elementary population does not include the possibility of a housing project complex being built on the east side of Town, along Route 9.

It is folly to believe that Hooker and Russell Elementary Schools can continue to absorb increased enrollments and still provide the desired educational programs and environment necessary for our regular and special education students.

During the year, the Hadley Elementary School Building Committee was active on several fronts. In January, the Committee participated in a Building Needs Conference with the State School Building Assistance Bureau in order to document the need for a new school. Based on enrollment projections and the degree of overcrowding at Hooker and Russell Schools, the need for a new school was approved. The Committee concurrently conducted a feasibility

study on renovating and adding on to both schools. This study, conducted by Margo Jones, Architect, from Greenfield, ruled out the continued use of Russell School as a public school facility. The study also estimated the cost of renovating and adding on to Hooker School which would be \$6.87 million with no state reimbursement, because of inadequate land. It would be more cost-effective to construct a new well-designed school on an adequate site with a net cost to Hadley of \$3.3 million. In September, the Special Town Meeting voted to approve up to \$75,000 for the Committee to conduct preliminary planning and site studies for a new school. After a detailed and rigorous search for an architect, the Committee selected Tessier Associates, Inc. of West Springfield to design a new school. At the same Special Town Meeting, it was voted to purchase land at 11 River Drive for the site of the new school. Throughout 1990, the Committee sponsored public information sessions to keep the citizens of Hadley fully informed of all Committee activities.

The administrators and faculties of the elementary and secondary schools have engaged in curriculum reviews and revisions during the year. At the elementary level, the reading program has been given priority. Recommendations for revisions will be forwarded to the School Committee. At Hopkins Academy, the faculty has been rewriting the curriculum guides for all subjects. This undertaking is a three year project and the second phase was begun in 1990. The action plan for rewriting the curriculum was worked out by Janet Selavka, Principal. It consists of examining the philosophy and goals for each subject area/department and strands and critical areas to be addressed. During the second phase, the staff began writing the mastery objectives for each subject. The final phase is the development of unit plans that include materials used and evaluation in the form of criterion-referenced tests.

A change in the entrance age of Kindergarten was approved by the School Committee and went into effect for September, 1990. The former requirement was 5 years of age by December 31. The new policy is as follows:

5 years of age by November 30, 1990 to enter in September 1990
5 years of age by October 31, 1991 to enter in September 1991
5 years of age by September 30, 1992 to enter in September 1992
5 years of age by August 31, 1993 to enter in September 1993

The Early Childhood Program continues to be an outstanding opportunity for our young children. We were fortunate, again, to receive a grant under Chapter 188 to operate this program. The outlook for future grant monies is very bleak and without this grant, a tuition program for those participating will have to be instituted.

The new roof on the lower portions of Hopkins Academy was completed and accepted by the School Committee during 1990.

In March, a joint In-Service Professional Day between the

Hadley, Granby and Hatfield Public School Systems was held. A myriad of workshops, speakers and do-it-yourself programs were available for the staff. Hadley played host and the reports were so positive that a second year program is planned for March of 1991.

I appreciate the high level of support and cooperation from the community, School Committee, administrators, teachers, support personnel, Town officials, Hopkins Academy Trustees and school and civic organizations.

Respectfully submitted,

Richard K. Sullivan
Superintendent of Schools

HOPKINS ACADEMY'S HIGH SCHOOL BAND TAKING PART IN MEMORIAL DAY EXERCISES 1990. ALMOST 80% OF HADLEY'S STUDENT ENROLLMENT TAKE ADVANTAGE OF EXTRA CURRICULAR ACTIVITIES OFFERED BY THE MUSIC DEPARTMENT, THANKS TO DIRECTOR MR. EDWARD FORMAN.

REPORT OF THE PRINCIPAL OF HOPKINS ACADEMY

TO MR. RICHARD SULLIVAN, SUPERINTENDENT OF SCHOOLS, THE HADLEY SCHOOL COMMITTEE, AND THE CITIZENS OF HADLEY:

The following is my fourth annual report as Principal of Hopkins Academy. The enrollment figures on October 1, 1990, were as follows:

GRADE	BOYS	GIRLS	TOTAL
12	12	21	33
11	15	24	39
10	9	17	26
9	14	15	29
8	22	22	44
7	<u>17</u>	<u>21</u>	<u>38</u>
TOTALS	89	120	209

Trustee Proposals

The Hopkins Academy Trustees continued their generous support of our school in 1990. Seven college scholarships and many prizes were awarded at graduation in June. Six grants were approved in September; \$1,288.00 for the art department, \$2,143.90 for Newsbank, a reference service for the library, \$450.00 for Career Education, \$580.00 for yearbook staff workshops, \$1,600.00 to support student participation in the Close-Up Program, and \$3,000.00 for assemblies and field trips. We truly appreciate the generosity and support of the Hopkins Academy Trustees.

Other Special Gifts

The Hadley Mothers' Club donated a printer for an Apple IIgs computer, paperback books for the junior high students, VCR tapes for use in psychology, science and math classes, computer programs for science and home economics as well as blank diskettes for individual students to use with the new computers, and plastic covers to protect the new computers and printers.

The Athletic Boosters continued their support of our athletes, selling refreshments at home ball games, sponsoring the fourth mid-winter Basketball Festival for students and parents, with pizza and dancing for all participants, treating the soccer teams to an end of the season pizza party, assisting with both money and service at the athletic banquet, and donating new jackets to members of the girls' varsity softball team when they won their league championship.

The class of 1990 purchased a display board which was built by John Schott, painted by Fred Wilga, and erected in front of Hopkins Academy. The class of 1991 paid for the letters and hardware for the display board.

The Parent Teacher Organization continued to print "Chalktalk", again conducted their "Teacher Recognition Day" and sponsored their traditional luncheon for staff members on the first day of school. They ran very successful Stop and Shop, Big Y and Bradlees tape campaigns which resulted in the acquisition of several items of computer software.

Special Programs

Although there were no funds available from the state, the School Improvement Council oversaw the disbursement of the Trustee grant for field trips and assembly programs, which included two assemblies by the Guild Players, story-teller John Porcino, assemblies about Ben Franklin for both junior and senior high students, and "A Balancing Act" by Performers Ensemble in the spring. In the fall, forty students attended a Foothills Theatre performance, the junior class visited the Salem Witch Museum and The House of Seven Gables and a professional athlete spoke to all students on motivational issues.

Continuing programs include "Project Heart", our sustained quiet reading program for grades 7-12, Project Business, a career education program for eighth grade students, a monthly career education program for students in grades nine to eleven, senior seminar, to prepare seniors for life after graduation, and study skills instruction for seventh grade students. The Peer Education Program, involving twenty upper classmen, continues under School Psychologist Jack Horrigan, with the help of health teacher Susan Cook. Ten students work with Mr. Horrigan and other students and staff from Hatfield, Granby and Amherst as part of the Governor's Alliance Against Drugs.

Activities and Recognition

Winners in the Lane Prize Speaking contest were: first place, Andrea Zabawa, second, Susan Wojewoda and third, Debra Wilga. Three students, Jo-Anne Kokoski, Mary Nowak and Susan Wojewoda, became student reporters for the Daily Hampshire Gazette. Eighth graders Amber Wzorek and Jonathan Bemben were our Spelling Bee winners, and Andrea Zabawa won the Lion's Club Speech Contest.

Our "As Schools Match Wits" team, Susan Wojewoda, Kevin Swaluk, Jo-Anne Kokoski and Mark Nowak, coached by Diane Chapman, beat Ludlow but lost to McDuffie School in the fall. The Math Team, with faithful participation by Kevin Swaluk, Pamela Kiang, Jeff Wentzel, Jennifer Schott, Sarah Duda and Debra Wilga advised by Elizabeth Phillips, continues to compete with other Western Massachusetts schools. Timothy West and Kevin Swaluk represented Hopkins at Boys State, and Jennifer Schott and Kristin Barstow attended Girls State. Jonathan Allen was our delegate and Joseph Turner our alternate at the State Student Government Day in Boston.

Spring and winter concerts by the junior and senior high school bands and choruses played to the usual packed houses.

School Spirit Week in February was a great success, as was the junior prom, held in May. The National Honor Society inducted eighteen juniors, a record number, in December. Senior Katherine Kelley was selected by the faculty and senior class to receive the DAR Good Citizenship Award, and Jennifer Schott was recognized for the Superintendent's Award. Christopher Parker, Kristin Barstow and Amanda Barstow represented Hopkins at Western Mass District Chorus while Aaron Muller was selected for the orchestra and Mark Nowak for Jazz Band.

1990 was a good year for Hopkins Academy's athletic teams. The girls varsity basketball team went to the semifinals, losing to the state champs from Lee. The boys varsity baseball team lost in the Western Massachusetts finals to Ware, after defeating both Putnam and Palmer. The girls varsity softball team was the Bi-County League Champion, with a record of 16-5 but lost to Mt. Everett in the semi-finals. The varsity girls soccer team qualified for the Western Massachusetts tournament, beating Mohawk but losing to Lee in the quarter-finals.

More exterior doors were repaired by Mr. Norman Brown, and exhaust fans were installed in two science classrooms. The boiler and heating system at Hopkins was overhauled for more efficient service.

In Appreciation

I thank the staff for their continued dedication to the young people of Hadley. To Mr. Sullivan, the School Committee, the students and parents of Hadley, I'd like to say thank you for your support of our programs and activities. It takes an entire community to make a school successful.

Respectfully submitted,

Janet S. Selavka
Principal, Hopkins Academy

REPORT OF THE PRINCIPAL OF ELEMENTARY SCHOOLS

TO MR. RICHARD K. SULLIVAN, SUPERINTENDENT OF SCHOOLS, THE HADLEY SCHOOL COMMITTEE, CITIZENS OF HADLEY:

The following report covers activities and programs of the Hadley Elementary Schools from January 1, 1990 to December 31, 1991.

The elementary enrollment as of October 1, 1990 was as follows:

<u>Hooker School</u>		<u>Russell School</u>		<u>Pre-School</u>
Kindergarten	49	Grade 5	41	57
Grade 1	44	Grade 6	33	
Grade 2	72	TOTAL:	74	
Grade 3	46			
Grade 4	37	<u>Old Gym SPED Program</u>		1
TOTAL:	248			

TOTAL (Pre-K - Grade 6): 380

Our kindergarten through grade 6 student population grew from 300 to 322 this year, a seven per cent increase from last year. In addition, we continue to serve 57 three and four year olds through the Hadley pre-school program, housed in the basement of Goodwin Library. Therefore, we currently are doing our best to meet the educational needs of 380 children located in four different buildings.

PROGRAMS

The faculty has undertaken the task of reviewing and revising our reading curriculum to keep pace with the up-to-date research and practices. It is our intention to support the outstanding progress our children demonstrate in basic skills while extending an interest in good children's literature. Our recommendations will be presented to the School Committee in June 1991. The same form of curriculum review is planned for social studies.

We are also striving to incorporate techniques in cooperative learning, integration of theme focused units, and increased use of experiential and manipulative lessons into our basic curriculum. Some of these techniques were presented to P.T.O. members at their fall meeting.

SPECIAL NOTES AND EVENTS

Mary Lou Cutter, grade 4 teacher, had a long time dream come to fruition in publishing her history of Hadley, Life Beside the Connecticut River. The book is used as part of the fourth grade curriculum. Copies are available for review at Goodwin Memorial Library.

Susan Anzalotti, Carol Pineo and Evelyn Jakub, our music, art and physical education teachers, collaborated with the students on a well attended Flag Day program. Joining us were members of the American Legion, who were quite impressed with the students' performance.

GIFTS AND ACKNOWLEDGEMENTS

The Mothers' Club again generously donated funds for classroom teachers to purchase books for their classroom libraries.

Hadley's Parent Teacher Organization not only donated funds to supplement school field trips, but organized collections of register tapes from Stop and Shop, Bradlees and Big Y, qualifying the schools for five Apple computers, two VCR's and many software programs.

For their continuing efforts and support, the students and teachers cannot thank these organizations enough.

Respectfully submitted,

Jillayne T. Flanders
Elementary Schools Principal

REPORT OF THE SCHOOL LUNCH PROGRAM

TO THE SUPERINTENDENT, SCHOOL COMMITTEE AND THE CITIZENS OF HADLEY:

The following is the financial report of the school lunch program January 1, 1990 - January 1, 1991:

January 1, 1990

Opening Balance	\$ 8,365.23
Receipts from Sales	69,344.60
Government Received	<u>14,511.26</u>
	\$92,221.09

Payments

Food	\$34,815.29
Labor	41,523.73
Other	<u>8,566.09</u>
	\$84,905.11

Ending Balance January 1, 1991 \$ 7,315.98

Respectfully submitted,

Ann Soldega, Manager

REPORT OF THE HADLEY POLICE DEPARTMENT

TO: THE CITIZENS OF HADLEY AND THE BOARD OF SELECTMEN

During 1990, the Hadley Police Department continued its efforts to meet the consistent rise in requests for service. This demand will continue to rise as the Town grows in both residential and business needs.

During the past year, through the cooperation and efforts of the Administrative Assistant, the Board of Selectmen and the Finance Committee, we were able to add one additional full time officer. This now brings our compliment of full time officers to four with an additional officer remaining on light duty status.

With the continued growth of the Town and evident traffic problems along Rte 9, the police department has attempted to respond to requested needs with limited manpower. The citizens of Hadley must be aware of the large demand for services placed upon us with limited resources to respond to their needs. With various building projects, including apartment buildings slated for upcoming construction, the police department will be forced to expand and grow not only to meet the need for service but for the safety of the police officer. Expansion of the department may also generate additional revenue for the Town. During 1990, total monies returned to the Town by the police department was \$72,056.

During 1990, this department was turned away from its main holding facility for prisoners until liability requirements were met with the Town. This is another constant reminder that the Town must move ahead and consider planning and construction of its own police building and lockup facility. A major step towards this occurred during the year: approval of a site for a public safety complex. I sincerely hope the citizens of Hadley realize the present conditions that we work out of and strive to improve them so we may serve the Town to the best of our ability.

In closing, I wish to thank the dedicated members of my department, the citizens of Hadley and the area police departments for their support and assistance during 1990.

Respectfully submitted,

Lt. Dennis J. Hukowicz
Acting Chief of Police

REPORT OF THE HADLEY FIRE DEPARTMENT

TO THE CITIZENS OF HADLEY & BOARD OF SELECTMEN:

The Fire Department responded to 120 calls during the year of 1990.

In August of 1990 we had the front of the North Hadley station remodeled. New insulated overhead doors were installed with automatic electric door openers.

All 5 engines are in excellent condition despite the major workout they received during Halloween with several structural fires.

In closing, I would like to thank all the men that responded to fires during 1990.

Respectfully submitted,

Bernard J. Martula
Fire Chief

REPORT OF THE SEWER COMMISSION

CITIZENS OF HADLEY:

During the year 1990 this Board has had to deal with several problems which have adversely affected our budget.

Increases in sludge disposal, insurance, electricity and fuel costs, and decreases in revenue due to water meter conversion, necessitated a small increase in user fees.

The FY92 budget of this department will be level-funded through deferred maintenance and salary freezes.

On a positive note, this Board has negotiated an agreement with Westmass, bringing that project one step closer to reality.

Respectfully submitted,

Richard V. Wilga, Chairman
Richard J. Waskiewicz
John Pliska

BOARD OF HEALTH REPORT

TO THE CITIZENS OF HADLEY:

Residents are reminded that there is a Recycling By-Law in Town and that all recyclables are to be separated from rubbish and garbage. The effort of recycling has proven effective as the cost of Transfer Stickers have been reduced for residents.

The Board sponsored two food sanitation workshops for food service handlers, conducted by a Mass. Food and Drug Inspector. Both sessions were well attended with about seventy five per-cent of food establishments represented. The Department of Public Health - Division of Food and Drug and the Board of Health did an audit of food establishments in Hadley. The average scores of all Food Establishments inspected was 81%. The average scores for food establishments and retail food stores were 82% and 81% respectively. The scores reflect sanitation levels in the good category.

The Sewer Commission requested action be taken by the Board of Health against 13 property owners to connect to the Common Sewer. Certified letters were sent to the owners requiring them to connect by May 31, 1991 or legal action will be taken by the Board.

Permits issued in 1990: Food Service - 73, Motels - 6, Removal of Garbage and Offal - 8, Disposal Installers - 7, Catering - 2, Bakeries - 6, Disposal Works Construction - 12, Milk Store - 42, Sunday - 54, Percolation Tests - 21, Septic Repairs - 25, Percolation Tests are allowable from March 1 through May 31.

We wish to thank all Departments and Citizens of Hadley for their support in the past year.

Respectfully submitted,

Alfred Szarkowski
Louis P. Klimoski
David Farnham

BOARD OF HEALTH

REPORT OF THE ANIMAL INSPECTOR

TO THE HONORABLE BOARD OF SELECTMEN AND CITIZENS OF HADLEY:

I am submitting the following annual report as Animal Inspector for the Town of Hadley.

During the year, several cattle entered our Town from out of state. I have inspected cattle from Canada, Pennsylvania, New York, Vermont, New Hampshire and Connecticut. All cattle entering Town from out of state must be inspected on arrival and their eartags recorded.

All horse owners who do not already vaccinate for Eastern Equine Encephalitis (EEE), should do so. There have been several cases of this disease in Massachusetts during this past year. Horse owners should also be aware of Equine Infectious Anemia (EIA), Potomac Horse Fever, Rabies and Lyme Disease. Many of these diseases have seen an increase in this state during the past year. Mosquitos have been the main culprit in the spread of these diseases.

I conducted my annual inspections and census December 27, 1990 through January 1, 1991. I found all the animals within this Town to be healthy and properly cared for. The official count is as follows:

DAIRY COWS	850	HORSES	129
DAIRY HEIFERS	444	PONIES	12
DAIRY CALVES	421	GOATS	20
DAIRY BULLS	19	SHEEP	536
DAIRY STEERS	2	SWINE	644
BEEF COWS	58	CHICKENS	367
BEEF HEIFERS	34	DUCKS	22
BEEF CALVES	60	GEESE	42
BEEF BULLS	10	RABBITS	43
BEEF STEERS	20	PIGEONS	81
OXEN	0	DOVES	2
MINIATURE HORSES	18	PEACOCKS	1

Respectfully submitted,

Marilyn Koehler
Animal Inspector

REPORT OF THE BUILDING INSPECTOR

TO THE HONORABLE BOARD OF SELECTMEN

A total of 172 permits were issued in 1990. The sum of \$24,756.38 was received for fees. There were approximately 287 inspections performed and 41 violations investigated. Of the inspections performed, 45 annual inspections of restaurants, motels, theaters and other assembly type areas were done with 40 of them in violation. All establishments corrected violations in a timely manner.

PERMITS ISSUED FOR THE YEAR 1990

QUANTITY	DESCRIPTION	ESTIMATED VALUE
9	Dwellings - New	989,000
6	2-Family Dwellings	1,300,000
19	Dwellings - Alterations	398,925
6	Garages	44,300
19	Decks and Porches	56,768
3	Chimneys/Wood Stoves	7,600
31	Signs	28,825
7	Barns/Silo	370,769
1	Arena	408,000
11	Sheds	18,229
1	Office Building	25,000
7	Swimming Pools	32,535
14	Demolitions	-0-
5	Handicap Ramps	15,275
1	Business - New	160,000
28	Business - Alterations	582,300
2	Greenhouses	10,500
1	Classroom Renovation	57,000
1	Warehouse Storage	225,000
<u>172</u>		<u>4,730,026</u>

Respectfully submitted,

Timothy Neyhart
Building Inspector

REPORT OF THE ELECTRICAL INSPECTOR

TO THE HONORABLE BOARD OF SELECTMEN:

I hereby submit my annual report for 1990. The sum of \$3,470 was received for permit applications. A total of 91 applications were filed for the following work:

56 Residential
35 Commercial

Respectfully submitted,

Alexander J. Bielunis
Electrical Inspector

REPORT OF THE PLUMBING AND GAS INSPECTOR

TO THE HONORABLE BOARD OF SELECTMEN AND CITIZENS OF HADLEY:

I hereby submit my annual report for 1990.

A sum totalling \$1,989.50 was received by the Town Treasury for the following permits:

Plumbing Permits	(38)	\$1,524.00
Gas Permits	(24)	465.00

Plumbing Permits were issued to the following:

New Homes	11
Remodelings	14
Businesses	13

At least two inspections are required for each permit issued.

Respectfully submitted,

Peter P. Salvatore
Plumbing/Gas Inspector

REPORT OF HADLEY'S CIVIL DEFENSE DIRECTOR

DEAR CITIZENS OF HADLEY:

1990 was another quiet year. I hope 1991 will be just as quiet as last year.

Respectfully submitted,

Edward J. Dudkiewicz
Civil Defense Director

VETERAN'S AGENT REPORT

TO THE HONORABLE BOARD OF SELECTMEN:

I hereby submit my report as Veteran's Agent for the year 1990.

This year my department spent less money serving veterans than last year. Many requests were made and rendered in obtaining discharge papers and other military records. If any veteran or their dependents is in need of assistance, please contact the Veterans Services at the Town Hall.

Respectfully submitted,

Alexander C. Mokrzecki
Veteran's Agent

HADLEY'S PUBLIC HEALTH NURSE ANNUAL REPORT

TO THE CITIZENS OF HADLEY:

As life expectancies increase and reimbursable hospital days decrease, there is an ever growing demand for home health care professionals. Home health professionals, like Hadley's Public Health Nurse are in a unique position. Not only do they provide needed care, but act as patient advocate and collaborator of needed services. I believe that nurses are the strongest link in continuity of care. Most important is their role to restore, maintain and promote health in the community as a whole.

The following are the 1990 statistics:

Clients: An average of 30 people are seen monthly. Referrals are received from physicians, social service, patients and family members.

Visits: Home care continues to be the primary activity of this nurse. Services range from assessing an acute situation to health promotion.

Flu Clinic: This clinic is growing in popularity. This year 260 residents took advantage of this free service. The success of this clinic is due to the following people: Delores Conway R.N., Patricia McEllegatt R.N., Linda Fil R.N., Lucy Matuszko, Alice Jensen and Jane Booth.

Diabetic and Hypertension Screening: The Hadley Council on Aging sponsors clinics for the monitoring of these two health problems. I encourage those residents 55 and older to take advantage of these free services. For more information please call me or Jane Booth at the Council on Aging office.

Finally, Federal and State budget cuts unfortunately effects the elderly and poor. They are a population frequently characterized by chronic illness and frailty and often demand close monitoring and support. These needs are recognized by the Hadley administration and so as your health care provider, I want to express my appreciation to the Hadley Board of Health and the Board of Selectmen for their recognition of the community needs and their continued support.

Respectfully submitted,

Patricia L. Osip, R.N.

REPORT OF THE CONSERVATION COMMISSION

TO THE BOARD OF SELECTMEN AND CITIZENS OF THE TOWN OF HADLEY:

WETLANDS PROTECTION:

During 1990, the commission attended to a large number of matters under the state Wetlands Protection Act, ranging from informal discussion with landowners or prospective land buyers to the issuance of formal "Orders of Condition", which are permits to do work in or near wetlands and floodplains. The law requires review of any work proposed within the "100-year" floodplain or within 100 feet of wetlands or stream banks. Most big parcels of land contain wetlands, and the 100-year floodplain encompasses the whole western part of Route 9. As a result, the commission reviews many requests every year. It aims to keep development back from the edges of streams and wetlands; and it requires that development within the floodplain be elevated so that the bottom floor will be above the estimated 100-year flood level. If land within the floodplain is filled, the owner must provide "compensatory storage": an equivalent area dug out at the same elevation. This is so nearby landowners will not suffer worse flooding because of development.

The commission encourages the use of a simple process under the law for determining where and how much the law applies. Getting such a "determination" before buying land or beginning work can prevent a lot of disappointment and trouble.

The most complex project considered by the commission in 1990 was the Windfields Apartments project planned for Route 9 near the Amherst line. This project comprises 250 units of rental housing and involves a lot of buildings, parking lots, drainage basins, etc. The commission held a number of hearings, and members attended hearings held by the Zoning Board of Appeals. The new filing fees created by the state in 1989 have proved helpful because the commission was able to hire an expert consultant to help it write an Order of Conditions.

NEW APPOINTMENTS:

The commission was brought up to full, 7-member strength by the appointment of Richard Holden, an Amherst fire fighter from North Hadley.

LAND ACQUISITION:

The Town has set aside \$117,500 to be used as "matching funds" for purchase of Agricultural Preservation Restrictions (APRs). Using \$35,000 of this money, the Town helped the state to acquire APRs on 23 acres of Grandonico property, 15 acres of Gawle property and 155 acres of Yarrow property. Total protected farmland in Hadley is now 796 acres. We salute these landowners and hope the state will further fund the APR program, which provides compensation for farmers who want to preserve their land for agricultural use. Several other APR applications are still pending; but the state has little money to spend.

The commission usually meets at 7:30 p.m. on the third Tuesday of every month (see postings in Town Hall). We welcome public attendance and help.

Respectfully submitted,

Gary L. Pelissier, Chairman
Peter S. Cook
Alexandra D. Dawson
Richard Holden
Jeffrey Mish
Michael A. Pewatka
William E. Tudryn

REPORT OF THE COUNCIL ON AGING

TO THE BOARD OF SELECTMEN AND CITIZENS OF HADLEY:

The Hadley Council on Aging offers needed services to and coordinates activities for Hadley residents 60 years of age and over with the goal of improving their quality of life by allowing them to remain active, independent, and involved in the community. The current 60 years and over population in Hadley, perhaps the largest proportion of elders of any town in the Highland Valley Elder Services area, is approximately 1000 persons or about 23% of the Town's population. The Council's purpose is to assess the needs of our elderly population and to strive to develop programs that will address and advocate for these needs. During 1990 the Council served a record number of elders through its various services in spite of a reduction in funding from several sources.

The Council is governed by a volunteer board of seven members. This department would be unable to survive without the truly valuable contributions of many dedicated senior volunteers. Regrettably Robert Renyhart resigned from the Council in June - he made valuable and unselfish contributions to the elders of Hadley. The paid staff consists of a part-time coordinator, Jane Wagenbach Booth who joined us in March, and two part-time drivers. We are extremely grateful to our drivers, Walter Piziak and Victor Lesko (began in August), for their efficient and responsible service to our elders. In July our longstanding dedicated driver, Edward "Wally" Walczak, passed away and we have missed him.

This year we increased our representation at local, regional and state meetings, educational programs and other conferences for the purpose of improving our resource base and in order to better serve the residents through improved information and referral services. The Council is a member of the Massachusetts Association of Council on Aging and Senior Center Directors, Western Massachusetts Association of Councils on Aging, Hampshire Council of Social Agencies and the Massachusetts Intergenerational Network. Members Robert Renyhart and Joseph Fill represented the Council on the Highland Valley Board of Directors and our coordinator represented us at Elder Provider Council events.

FUNDING

Much appreciated financial support to the Council was provided by the Town, a Massachusetts Office of Elder Affairs Formula Grant, a Highland Valley Elder Services Title IIIB Grant, a Pioneer Valley Transit Authority grant and fund raising projects.

P.V.T.A. is now requiring grant recipients to raise a portion of their transportation operating costs. We thank Hadley elders for their prompt and generous response to our request for donations. A second fund raising project, sale of a Community Calendar, was conducted jointly by the Hopkins Academy Student Council, under the direction of their advisor Catherine Niedziela

and their president Kate Kelley, and the Council on Aging, spear-headed by Patricia Osip. This cooperative effort was a grand success and we thank the Student Council and the public for their assistance and support.

NEWSLETTER

A monthly newsletter is mailed to residents 60 and over and allows a method for distributing information of importance to elders such as on upcoming programs and activities. Several programs held this year dealt with legal issues of interest to the elderly and the Homestead Protection Act.

We thank State Representative Shannon O'Brien for her monthly articles, the advertisers for their support which eliminated a printing charge, the Executive Office of Elder Affairs for grant monies which covered the mailing costs and the Senior Citizen Publishing Company. We also thank our regular newsletter volunteers, Twega Fill, Alice Jensen and Fred Mastendino, who assisted with this 750-item mailing each month.

CLINICS

Monthly blood pressure and blood sugar clinics are held except during July and August. We thank Nellie Frankevicz, Sophie Filkoski and Patricia Osip who regularly provided the nursing services for these clinics and Twega Fill for handling the secretarial duties. Each month approximately 65 people took advantage of these services funded by E.O.E.A. and H.V.E.S. Flu shots were provided to 253 individuals by nurses Patricia Osip, Linda Fil, Delores Conway and Patricia McElligott with the assistance of Lucy Matuszko and Alice Jensen. Eye clinics were provided by the Community Eye Care van and by ophthalmologist Nancy Balin with about 40 residents benefiting. A hearing screening was conducted by audiologist David Fradkin. We are grateful to all those who so generously volunteered their time.

RECREATIONAL SERVICES

Crafts instruction, oil painting classes and bingo games are offered once a week except during the summer months. We thank the crafts instructors Twega Fill and Alice Jensen for sharing their expertise in quilting, knitting and crocheting. Mary Hitchcock, our dedicated painting instructor, assisted her committed students in creating their works of art! Bingo was attended by some of our most serious participants. We thank Zy Beaudoin, Fred Mastendino, Agnes Banash and Anna Wanat for serving as callers for these games.

The Christmas party was a huge success with 150 seniors attending an evening expertly planned by Bertha Baranowski and her assistant, Irene Clark. We appreciate the many donated items which served as door prizes, the musical entertainment provided by Eddie Forman and his junior high chorus and the valuable assistance of many volunteers.

TRANSPORTATION

Due to a grant from the Pioneer Valley Transit Authority free transportation is available to the elderly and handicapped Monday-Friday from 9-4 and on Saturday from 9:30-12:30. Two vans and our dedicated drivers allow for door-to-door transportation for purposes such as medical appointments, shopping, hair appointments and to enjoy lunch at the dining center. The Council provided an estimated 4,225 units of transportation during 1990. The elderly and handicapped are encouraged to call and arrange for transportation services whenever needed.

BREAD DISTRIBUTION PROGRAM

The free bread program was revived by Twega and Joe Fill who conducted this program with the assistance of Adeline Rocasah. We thank them for their efforts and the Amherst Survival Center for their contributions. Surplus bread and pastries are distributed weekly to any senior who wishes to participate.

PARTNERED ACTIVITIES

The American Association of Retired Persons and the Internal Revenue Service provided the services of a volunteer tax-aide counselor, John Aldrich, to assist senior citizens with their income tax returns. The Hampshire Community Action Commission provided training to our coordinator to assist applicants for fuel assistance. The Western Massachusetts Food Bank conducts a surplus food distribution program called Food for Elders (or Brown Bag) once a month. The Council cooperates with many service agencies and organizations to assist in the delivery of such services to Hadley seniors.

HIGHLAND VALLEY ELDER SERVICES

This private, non-profit Home Care Corporation provided numerous valuable services to Hadley seniors including a congregate lunch program (4,142 meals served), home delivered meals (8,735 meals delivered), case management, homemaker and legal services, and a companion program. We appreciate the consideration given to Hadley by the staff of Highland Valley. We thank the dining center directors, Agnes Scanlon and Judy Shean, as well as their committed volunteers, Doris Molitoris and Anna Kubasek, for their dedication and service.

VOLUNTEER OPPORTUNITIES

Between July 1989 and June 1990 it is estimated that 2,243 hours of volunteer service valued at \$18,391 were provided! A great variety of activities are available to volunteers and many individuals have been very generous with their time. The following are some of those who have so graciously assisted the Council: Twega Fill, Lucy Matuszko, Nellie Frankevicz, Sophie Filkoski and Michaeline Martin as well as Alice Jensen who has assisted enormously in the office on a weekly basis. Irene Clark provided hours of assistance with health insurance claims and the preparation of the newsletter.

The Retired Senior Volunteer Program of the Hampshire Community Action Commission provides a means by which volunteers may record their hours of service and be recognized for their contributions at an annual luncheon which this year was held at the Delaney House.

A LOOK TO THE FUTURE

An important goal for 1991 is to conduct an extensive needs assessment survey of residents and area service providers for the purpose of identifying residents' needs, interests and concerns in order to provide a greater variety of appropriate and desired programming. Funding for this survey and for educational programs has been provided by Highland Valley Elder Services.

The lack of a senior center for the approximately 1000 senior citizens of Hadley certainly limits the extent of the activities and the types of programming that may be provided. The Council expresses its sincere appreciation to the Hadley Housing Authority and the residents of Golden Court for their cooperation in allowing us to utilize their Community Hall for many of our activities. The First Congregational Church of Hadley, the Holy Rosary Church and the Hadley School Department have also generously allowed the use of their space for senior activities for which we are grateful.

The current financial situation - with shrinking Town budgets, reduced E.O.E.A. Formula Grants and the new P.V.T.A. requirement that the Council provide a portion of the operating budget - contrasted with Hadley's already large and increasing senior population certainly provides a challenge to our Council for 1991 and will for many years to come.

The members and staff of the Council on Aging wish to thank the Board of Selectmen, the Administrative Assistant, the Selectmen's secretary and the other Town departments for the cooperation and assistance provided to our Council and to our new coordinator which helped to make 1990 a productive and successful year.

Respectfully submitted,

Fred Mastendino - Chairman
Helen Vanasse - Vice Chairman
Patricia Osip - Secretary
Bertha Baranowski - Treasurer
John Kowal
Joseph Fill
Robert Belado (effective 11/90)

REPORT OF THE ZONING BOARD OF APPEALS

TO THE HONORABLE BOARD OF SELECTMEN:

The Zoning Board of Appeals hereby submits its annual report for the year ending December 31, 1990.

The Zoning Board has now completed thirty years of service. The records show the first public hearing was conducted December 7, 1960.

In 1990, there were nine petitions filed for variances and special permits. Five petitions were allowed, two petitions were denied, one petition was withdrawn and one petition is still pending.

The pending petition is for a Comprehensive Permit to build an apartment complex off Route 9 consisting of 250 units. The petitioner is Windfield Apartments, Ltd. The first Public Hearing was held in November, 1990, and hearings are continuing into 1991. The Board has hired a general consultant to assist it in the massive process involved in making a determination on the application. Under a state law, the consultant is paid for by funds supplied by the petitioner. The Board is receiving input from all relevant Boards and Departments of the Town. Citizen input is also encouraged.

1990 ANNUAL TOWN REPORT OF THE HADLEY PARK COMMISSION

The Hadley Park Commission had a full year of recreational programs.

In January our youth basketball program was held for six to eight weeks for both boys and girls in grades second through six. Fred Ciaglo led the boys and Erin Splaine and Paula Seward the girls.

In February our gymnastics program took place in the old gym with grades Kindergarten through six.

In the month of April we had our annual Easter festivities with a magician and a visit by the Easter Bunny.

During April, May, June and through September our department is also in charge of maintaining the Lassie and Little League ballfields. Ignace Waskiewicz is in charge of the mowing and liming as well as general maintenance of these fields.

The T-ball program held in May continues to be popular for the youngsters who are not old enough to play Little League baseball. Parents under the direction of Gerry Delisle helped with T-ball.

July brings our annual Summer Day Camp. Held for six weeks in the Old Gym and the Hooker School Cafeteria, it gives children age three to ten, five mornings a week of fun-filled activities. A director is hired along with approximately ten counselors assigned to the various age groups.

In September our soccer program was held on the Hopkins Academy soccer fields. We had an instructional program for Kindergarten through third graders. Parents, under the direction of Dave Burnham, helped coach these youngsters. This year we also had two teams of fourth through sixth graders compete in a soccer league. They were very busy practicing and playing two or three times a week from September to November. Parents were also the coaches of these two teams. Under the direction of Kathy and Dyer Cooke, Glenn Bombardier and Jack Phelon these youngsters worked hard and enjoyed being with kids from other towns.

In October Kathy and Dyer cooke joined the Suburban League with fifth and sixth grade basketball teams. There was a girls team and boys team. They had many practices and games played from November through February. There were tournaments also. The Cookes coached the girls and Paul Ciaglo and Tim Walsh from Hadley coached the boys.

We also had adult programs in the Old Gym. The YMCA in Northampton had an aerobics class two nights a week. The mens basketball program was held two nights a week for men over eighteen. Ron Blajda was in charge. Co-ed volleyball was also offered two nights a week. Phil West was in charge.

We would like to thank all the parents and Town residents who have helped with our programs. We appreciate their hard work and dedication.

We enjoy planning programs for the children and adults of Hadley. Our programs are well attended and we welcome any new ideas for programs from the community.

Respectfully submitted,

Joanne Waskiewicz

HADLEY HISTORICAL COMMISSION

TO THE BOARD OF SELECTMEN AND THE CITIZENS OF HADLEY:

The Historical Commission has held ten regular meetings and seven special meetings.

Lucy Matuszko was appointed by the Selectmen to succeed Jeanne West, who had resigned.

The Commission is pleased to announce that as a result of the work of professional archaeologists last summer, evidence has been found of the existence and partial location of Hadley's colonial palisade, which protected the Town during the French and Indian Wars. Plans for a follow-up on this important find will proceed as funds are available.

After meeting with interested West Street property owners, the Commission recommended that the Selectmen appoint a West Street Study Committee of twelve volunteers. The purpose of the committee is to make recommendations to the Town concerning the preservation and protection of their historic street.

Photography of Hadley's open space has been completed and awaits an accompanying narrative.

Possible National Register status for three areas in Town is still pending.

The Commission welcomes suggestions from citizens of additional projects which would aid in the understanding and appreciation of Hadley's rich historical heritage.

Respectfully submitted,

Alexander Kulas, Chairman

HISTORICAL ROOM ABOVE THE GOODWIN MEMORIAL LIBRARY LOCATED NEXT TO HOOKER SCHOOL IN THE CENTER OF TOWN. MANY YEARS OF HADLEY MEMORABILIA AND HISTORICAL ARTIFACTS ARE PRESERVED HERE FOR FUTURE GENERATIONS TO ENJOY.

REPORT OF THE HADLEY ARTS COUNCIL

TO THE CITIZENS OF HADLEY:

A quorum of its members was present as the Hadley Arts Council voted in the Spring Cycle of 1990.

For the Spring Application Cycle, a sum of \$1,319.00 was available through the Massachusetts Arts Lottery Council and \$250.00 was available from the Performing Arts Student Series. Marcia Wojewoda was Chairperson. Funds were voted for five of the ten MALC applications:

- | | | |
|----|--|----------|
| 1) | Amherst Early Music, Inc.
For an Early American Music Concert | \$300.00 |
| 2) | Porter Phelps Huntington Foundation
For brochure for Pride of Place House Tours | \$300.00 |
| 3) | Zacchiah Blackburn
For workshop demonstrating musical instruments | \$200.00 |
| 4) | Radio Reading Service of WNE
For bedtime stories for the blind
and physically impaired | \$ 69.00 |
| 5) | Hadley Elementary Art
For purchase of special art supplies | \$450.00 |

All funds voted for approval by the state were approved with the exception of \$450.00 for the Hadley Elementary Art program. It was determined by the state that the application submitted by the Hadley Elementary Art program did not fall within the MALC guidelines.

The PASS funds were granted to:

- | | | |
|----|---|----------|
| 1) | Susan Anzalotti
For Hooker students to attend a performance
by the Springfield Symphony Orchestra | \$250.00 |
|----|---|----------|

For the Fall Application Cycle, a sum of \$1,027.00 was available through the Massachusetts Arts Lottery Council and \$250.00 from the Performing Arts Student Series. Barbara Wilson was Chairperson as Marcia Wojewoda's term had expired. All five members were in attendance to vote funds for three of the ten MALC applications:

- | | | |
|----|--|----------|
| 1) | Foolsproof Follies
Night of comic entertainment | \$300.00 |
| 2) | Michael Congleton
Painting exhibition of Hadley's history | \$300.00 |

- 3) Porter Phelps Huntington Foundation
Wednesday Folk Traditions Concerts

\$427.00

GOODWIN MEMORIAL LIBRARY TRUSTEES REPORT

TO THE CITIZENS OF HADLEY:

Goodwin Memorial Library and the North Hadley Library enjoyed another year of increased activity. While our book selections continued to grow, our video collection has also been increased. A new category has been added at Goodwin Memorial to include the tapes of Selectmen's meetings and other Town events filmed by our local volunteer, Richard Trueswell, for the Public Access Channel.

Library Trustees bid Mary Kelley farewell with our gratitude for her years of dedicated service and welcomed Lisa West on board.

North Hadley Library has a new look, thanks in part to the hard work of Mr. Francis Duda and Mr. James Russell. Refinished floors, new paint and a few new chairs all help to provide a bright cheerful atmosphere. Mrs. Miriam Pratt reports a steady stream of activity at North Hadley by younger patrons who combine library visits with trips to the Toy Lending Library right next door.

The Hadley Early Childhood Preschoolers continue their program in the basement of Goodwin Memorial Library. Enrollment remains high along with the dedication and interest demonstrated by both staff and parents alike.

The Trustees have committed funds for upgrading the elementary reference library section. We encourage input from students, parents and teachers to ensure that the books purchased reflect the areas of interest most in demand.

Remember, our public libraries are for you. Our librarians, aides and volunteers are all able and willing to help. Our young people's Story Hour grows in popularity, art displays are for all to enjoy, elementary project exhibits are always welcomed, and individual or group exhibitions are encouraged. The libraries are for everyone; we invite you to join us.

Lisa West

NORTH HADLEY BRANCH LIBRARY REPORT

This was a busy year at the North Hadley Branch of the Goodwin Memorial Library located on the first floor rear of the North Hadley Village Hall.

During the month of July a Story Hour for young children was held on Thursdays with volunteers Merrilyn Holcomb as storyteller, and Jean Baxter and Janet Barrett in charge of crafts and refreshments. An average of twenty-three attended this popular series.

In July the library hours were expanded by two hours to coincide with the hours of the Hadley Toy Library which opened in the next room. This arrangement is working well for all concerned, with Jeanne Waskiewicz working those two hours in the library from 9:30 to 11:30.

In the late summer a successful sale of used books was held for two days, making more room for new books.

The library now looks lighter and brighter due to a much needed painting of the walls and woodwork. The floor was also refinished, necessitating much moving of books and furniture. The work was well done by the two custodians of the building, Francis Duda and James Russell, and is much appreciated.

Fifty-one new books for adults and children have been added to the shelves. The circulation was 2,579 for the year, an increase of 353. The library also circulates twelve different magazines, also videotapes for VCR's, plus books with tapes for children.

We continue to enjoy the services of the Regional Bookmobile which comes every six weeks to supply an added selection of books, and the Interlibrary Loan which sends us requested books which the Bookmobile cannot provide. These two services are an excellent help for small libraries.

Miriam Pratt continues as librarian, Justina Kielec as assistant librarian and Joanne Waskiewicz on Tuesday Mornings.

The library hours year round are Tuesday mornings 9:30 to 11:30, and Tuesday and Thursday afternoons 3:00 to 5:30. The reading public of all ages is invited and urged to come visit the North Hadley Branch Library.

Respectfully submitted,

Miriam R. Pratt, Librarian

GOODWIN MEMORIAL LIBRARY REPORT

TO THE CITIZENS OF HADLEY:

The Goodwin Memorial Library experienced another successful year of growing and continued service to the community. Our hours during 1990 were 10:00 a.m. to 4:00 p.m. Monday through Friday, plus Tuesday evening 6:00 p.m. to 8:00 p.m., Children's Story Hour Friday 10:00 a.m. During July and August, hours were Monday through Friday 10:00 a.m. to 2:00 p.m., Tuesday and Thursday evening 6:00 p.m. to 8:00 p.m. A total of 15,348 books, magazines, records, tapes and videos were circulated during 1990. That is an increase of 1,670 over last year.

We were able to add 615 new books, magazines, records and tapes to the collection. Our video selection has grown to 100, including many PBS, classic movies, educational movies and pure entertainment. Western Massachusetts Regional Library continues to supplement our selection by providing books, records and videos every six weeks and movies weekly. This is a very valuable service for small libraries.

National Library Week theme this year was Check it out at the Library. Local merchants provided prizes for this event. During the school year students from both Hooker School and Russell School shared their talents with the Town by having projects regularly on display. Hopkins Academy held their annual Spring Art Show and reception at the library again this year. The summer as usual was very busy. Summer Reading Club theme was dinosaurs. Seventy-seven children took part and read 544 books. Coinciding with the dinosaur theme, a trip was made to the Holyoke Children's Museum for a dinosaur puppet show and a program was held in the Old Gym on fossils. Every Thursday evening family movies were provided. We ended the summer with a hot dog roast and make your own sundaes party.

In conclusion, I would like to thank everyone who in the past year has supported our library in many varied ways. Mother's Club helping with our very popular Friday Story Hour. Merchants helping when donations are needed for events. Parents helping when two hands weren't enough. Mrs. Celia Daniels and Mrs. Lucille Bauer assisting me weekly. Trustees who care about the future of our library and helping it to grow to meet the needs of our community.

Respectfully submitted,

Marilyn Mish
Librarian

NORTH HADLEY VILLAGE HALL STUDY COMMITTEE

The North Hadley Village Hall Study Committee continues to work diligently at promoting the use of the Hall for community activities. It is still the home of several community groups; the Goodwin Memorial Branch Library and the North Hadley Fire Station. Other groups utilize the Hall occasionally by having special events there throughout the year. We feel by keeping the rental charge at a minimum, this will entice these groups to use the building on a regular basis. There is no charge to youth groups, as has been the case for many years and adult non-profit groups pay only a small utility fee during the winter months (janitorial and kitchen fees are additional).

In May, 1990 the Town Meeting voted to appropriate \$45,000 for the exterior painting and repair of the building. We expect this work should be completed within the next few months. Once this work is finished, we feel Townspeople will be more apt to use the Hall, as right now any one will attest the building is an eyesore in its present condition!

A new facade on the Fire Station was completed during the year and major structural work was done to the entry way and porch, to that section of the building. The electrical system was also updated during the year and new lighting fixtures are in place in the first floor meeting room. The floor in the Library was refinished and a new paint job was also done by the Hall's janitors. Our thanks go out to James Russell and Francis Duda for the many hours spent at the Hall to make it a clean and safe place for people to meet.

We invite the Townspeople to our monthly meetings (dates and times appear in the Daily Hampshire Gazette and are posted at the Town Hall). We welcome everyone in Town to utilize the Hall, whether it be for your private parties or your organization's events.

Respectfully submitted,

Alexander Kulas, Chairman
Katherine Pipczynski, Secretary
Miriam Pratt

Francis Duda, Custodian

REPORT OF THE HANDICAPPED ACCESS COMMITTEE

The Selectmen approved formation and appointment of a Handicapped Access Committee in late May of 1990.

The Committee was quickly assembled and advised there was only \$18,000 left in the appropriation for this purpose. Since it was obvious to the Committee that a ramp and other necessary items (such as demolition of the old shed attached to the Town Hall, excavation for foundations, change of door and hardware) would cost in excess of \$30,000, we had to come up with some highly innovative purchase and construction planning.

The result was VOLUNTEERISM! Committee members and a host of volunteer tradesmen and community spirited donors were quickly assembled and work was started in late August of 1990 and completed early in November of 1990.

Volunteers put in 1,018 hours of work. Donors contributed thousands of dollars in equipment and materials necessary to get the job done.

Total cost to the Town of Hadley from previously appropriated funds for Phase 1 of the handicapped accessibility project was less than \$10,000.

The Committee is presently involved in research and planning to ascertain whether we can approach Phase 2 (making ground floor restroom facilities handicapped accessible) with the remaining \$8,000 of the appropriation.

Phase 3 of the project (access to second floor of Town Hall) will necessitate an elevator and is currently way beyond the scope of available funds and may have to come before a future town meeting for funding.

The Committee thanks Mrs. Devine for the honor and privilege to demonstrate what can be done to serve the community.

Where there is a WILL - there is always a WAY if we really want to get things done in a professional and positive manner. We commend her actions to protect the handicapped funding appropriation and use it for the original purpose the taxpayers and voters intended.
